# A Class With Class

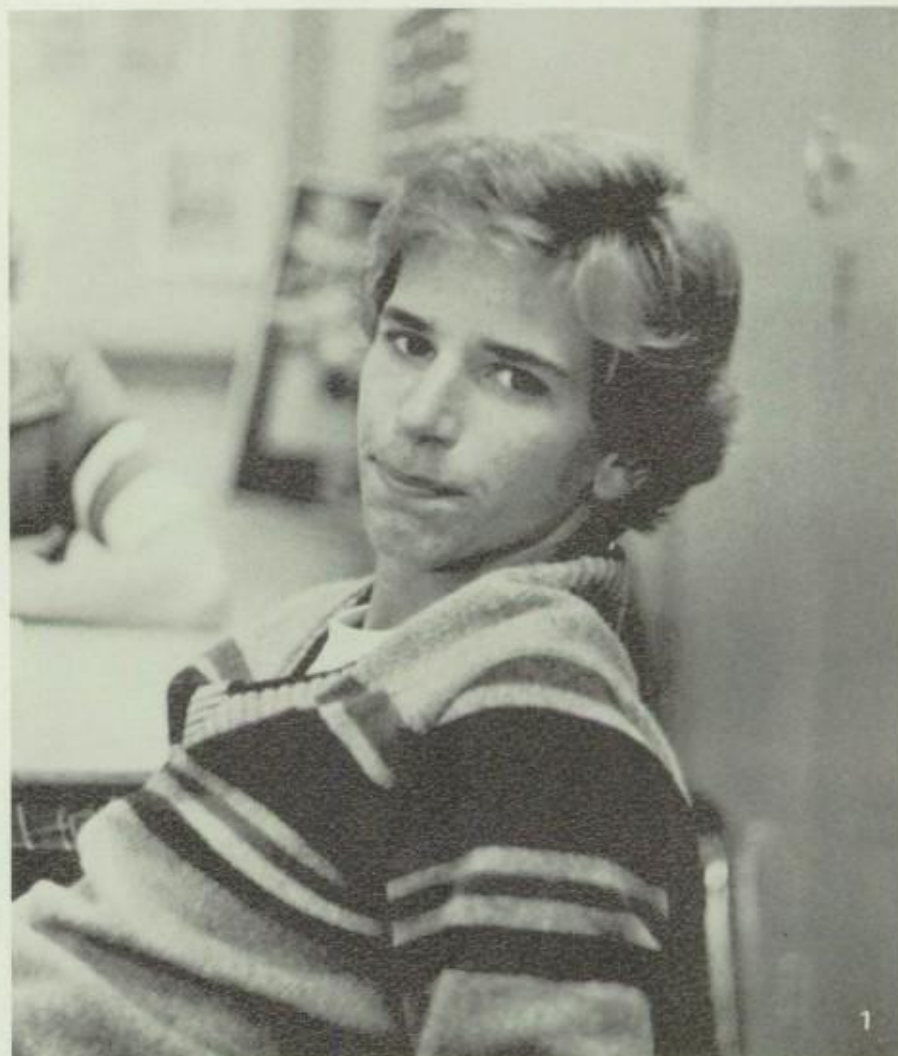

During the four years at La Habra High, each class learns vital responsibilities such as fund raising. This was no different for the class of 1980. Starting as freshmen, they realized that in order to have activities in the future, they had to be ready for the financial endeavors. So, under the leadership of the class officers, the freshmen began organizing car washes and bake sales, the traditional means of raising money.

Having left themselves a monetary foundation, the class of '80, as sophomores, worked hard to accomplish their first real goal of producing a fun and successful Valentine's dance.

As juniors, they displayed their authority working as sheriffs at the annual Corn Festival. The class also held various other "money makers" to achieve their second major goal, "Prom '79". The prom was held at the Royal Ambassador with the theme "Forever Like a Rose." Having been superbly organized, it lived up to the tradition of La Habra High along with the expectations of the class of '80.

In their senior year, the class of '80 became one of the most spirited classes, and designed a T-shirt with a Woodstock emblem, which sold well. At the Homecoming game they sponsored an outstanding half-time ceremony that included the crowning of the Queen, and a spectacular display of fireworks. Following the game, the Homecoming dance was held in the Sterling Gymnasium with great success. The Graduation party was held in San Diego at the luxurious Vacation Village.

The class of '80, having prepared themselves for the "New Horizons" that await them, have clearly demonstrated that they are a "Class With Class."

# Seniors Sell Their Souls

The senior slave sale took place on May 2, 1980. Mike Enrico was the highest priced slave, selling for \$18.50. LHHS exchange students, Mauricio Fernandez and Peter Zethraevs, were sold together as a delightful duo for \$11.50. The senior slave sale is a good way of earning money for the senior class and great for those who want revenge on their peers. The senior class raised approximately \$250.00, which helped pay for senior week.

1. Mike Enrico Tarzan?
2. "Slaves have to eat too!" says Sabrina Herron.
3. Peter Zethraevs laughs at himself.
4. Marta Carrington teaches Dan Baird how to be a lady.

# Seniors Have More Fun

June 2 through June 6, 1980, Senior Week, was held in honor of the graduating class of 1980. Activities throughout the week included early distribution of yearbook supplements to seniors, a showing of the movie, "Hooper" starring Burt Reynolds shown in the Lecture Hall, breakfast at Our Lady of Guadalupe Church, and a picnic at La Bonita Park, complete with everything from three-legged races to a bubble gum blowing contest. Special thanks were due the hard-working senior parents and the 1980-81 A.S.B. officers, for without their help Senior Week would not have been such a success.

1. Mrs. O'Steen takes a break from serving breakfast.
2. Ann Minner and Gayle Gutierrez battle it out for the biggest bubble.
3. Brent Cross and John Beals liven up the picnic with water balloon fights.
4. Ravenous seniors enjoy a delicious breakfast.

# Senior Awards Night

On June 3rd, 1980 at 7:00 p.m., L.H.H.S. held its annual Senior Awards Night in the school cafeteria. Senior Awards Night is a program put on to recognize the accomplishments of outstanding seniors by presentation of special awards and scholarships. Mr. Pendell, the 1979-80 chairman, succeeded in finding many new sources of scholarships. His hard work and diligent efforts paid off when \$54,000 was donated in scholarships to the Highlanders, the largest amount ever awarded.

Seventy two students received awards. A special award to Mrs. Jane Reilly expressed the heart-felt thanks of every Highlander for her efforts in organizing K.O.S.O. (Keep Our School Open). Her hard work and dedication enabled us to present effective arguments that prevented the closure of La Habra High School.

Consuelo Salazar sang "I Have Dreamed" and Mary Woida entertained the gathering with "Hello, Young Lovers." Mrs. Carr, Mrs. Golden, Mrs. Burks, Mrs. O'Steen, Mrs. Reilly, Mrs. Denney, and the 1980-81 A.S.B. officers helped make the evening a memorable one.

1. Mike McCarthy is selected year's most valuable boy athlete.
2. Connie Salazar's rich voice soothes listeners.
3. Joanna Chen and Dave Golden are outstanding students of the year.
4. Audience applauds achievements of seniors.

# Reflections 1980

Sunday, June 8th, 1980, the senior class presented Reflections '80: "Dreams and Memories." Entertainment included "Little Old Lady In Tennis Shoes" and "Hallelujah Chorus" sung by the Concert Choir and directed by Mr. William Dunton. "Along the Road," another musical selection in the program, was sung by soloist Janine Foss who was accompanied by Dan Rickard on the guitar.

Dramatic performances were "The Glass Menagerie" and the humorous "Senior Class Favorties." Appropriately reflecting on the past, Frank Ortega presented the slide show "Yesterday Once More." The poem "Yesterday, Today, Tomorrow" written by Marian Hollenbeck was recited by Sabrina Herron.

Immediately following the program, a picnic buffet was arranged by a group of senior parents and the Parent Teachers' Association for the members of the Class of 1980 and their guests.

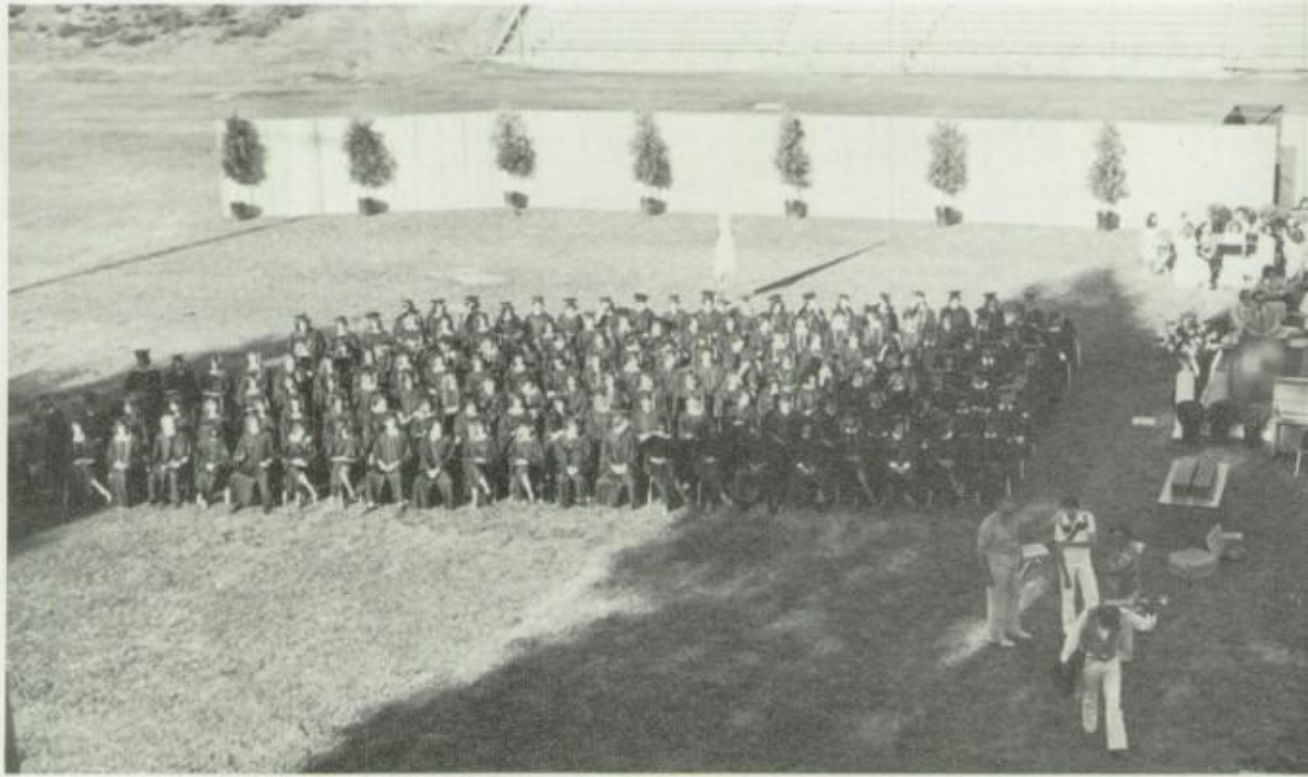

1. David Lowe announces the next act.
2. Jeff Torkelson and Susie Long ham it up as the most devoted couple.
3. Seniors enjoy a buffet style picnic supper in senior park.

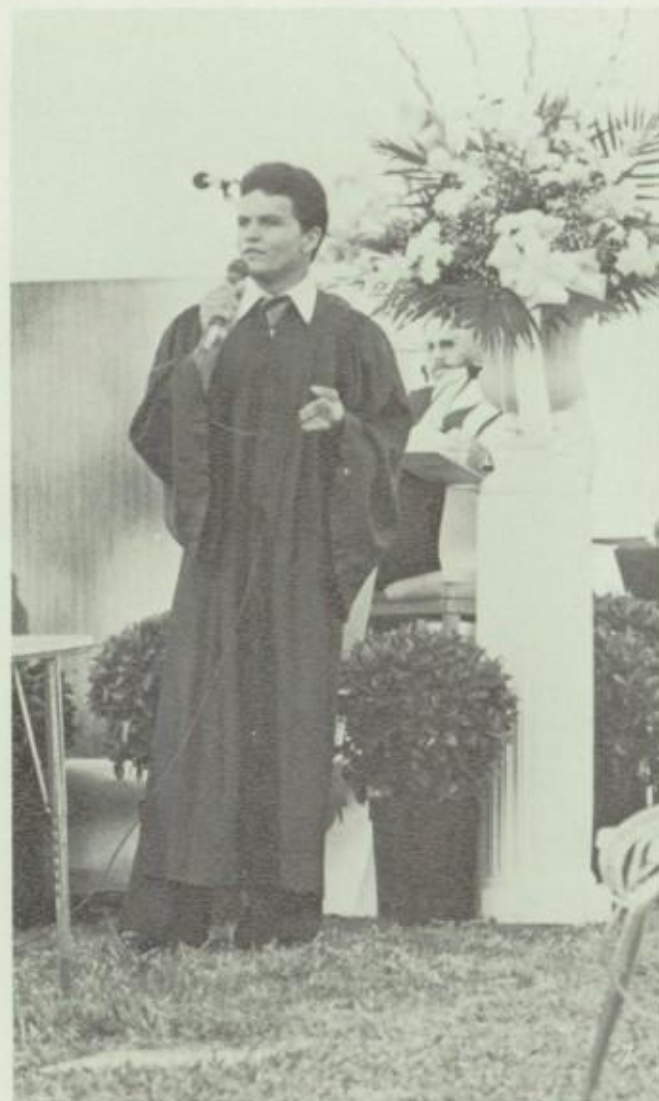

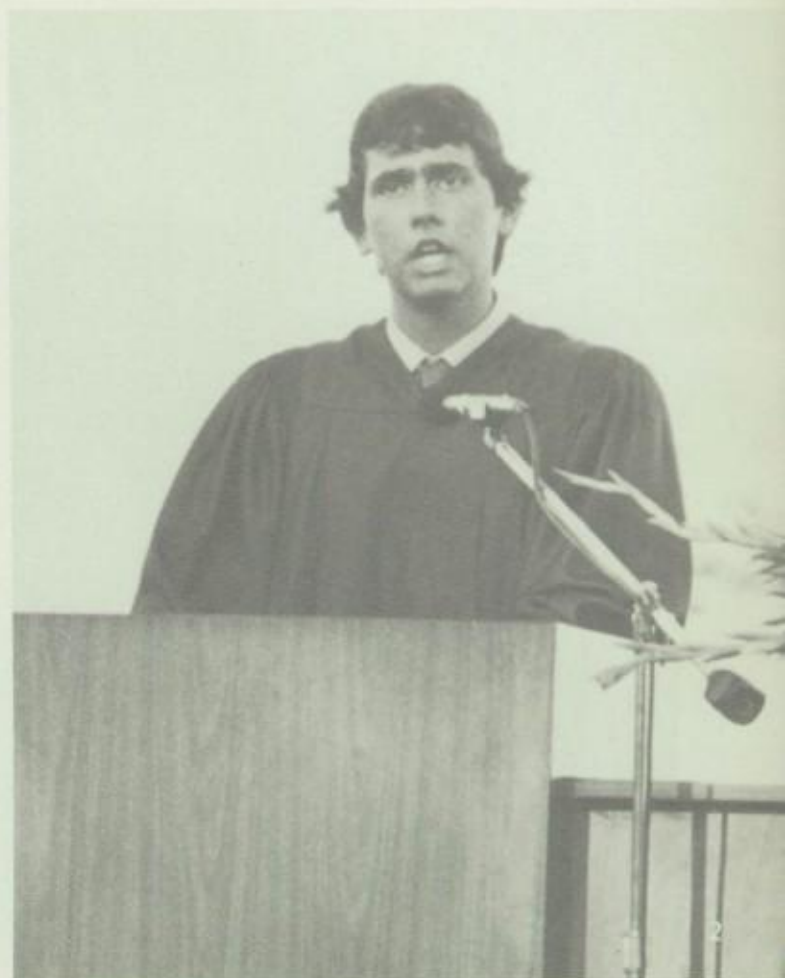

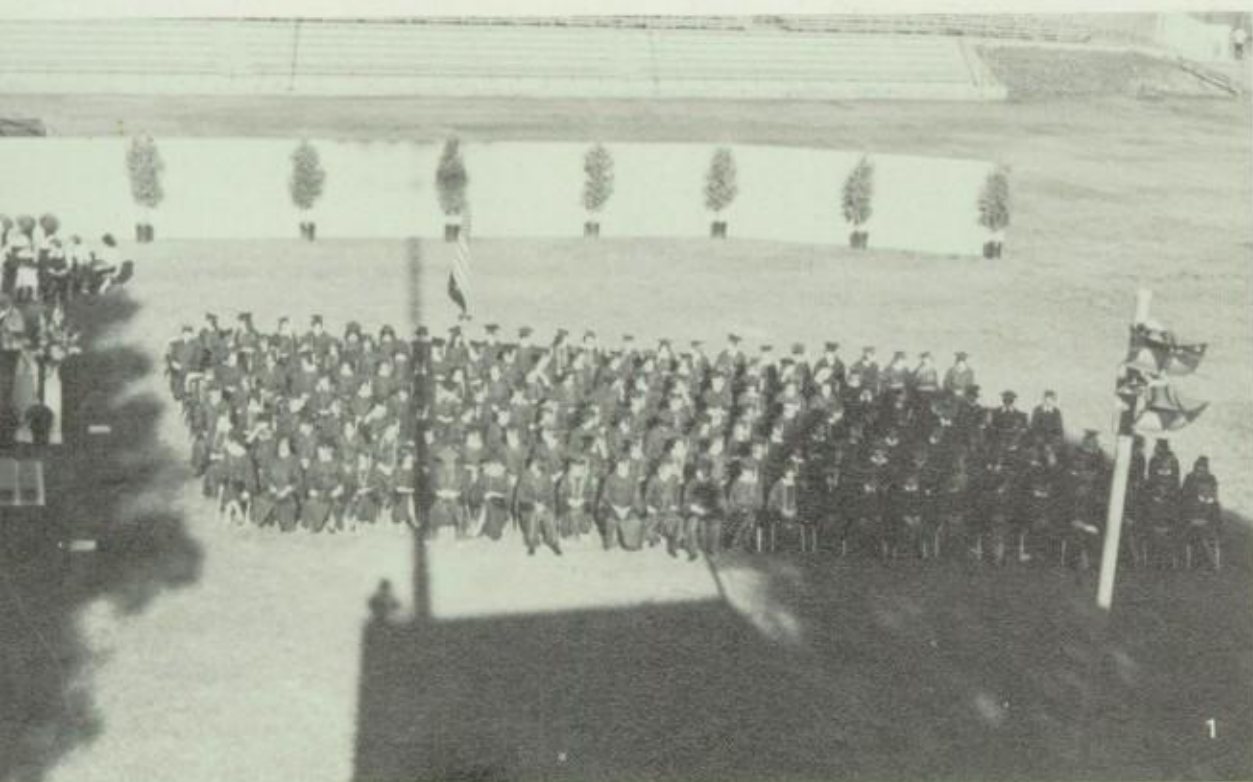

# Graduation 1980

The graduation ceremony for La Habra's Class of Nineteen Hundred and Eighty commenced at six o'clock on Thursday, June 12th, 1980 with "Pomp and Circumstance." The program included addresses by Daniel David Baird, Mauricio Antonio Fernandez, and by Rebecca Anne Caley. Musical selections were "Bridge Over Troubled Waters" and "My Way" sung by Nick Randall Desatoff and "I'll Walk With God" and "Climb Every Mountain" sung by Consuelo Ayala Salazar. Jeffrey Dean Torkelson provided musical accompaniment for both singers. Mr. Gary Mieger, principal of La Habra High School, presented the class of 1980 to Mr. Richard T. Gross of the Board of Trustees who accepted the class for graduation. Amid mixed feelings of happiness and sadness, ceremonies concluded and the first class of the eighties emerged from four successful years of education at L.H.H.S.

1. La Habra High School's graduating Class of 1980.
2. Mauricio Fernandez bids his fellow classmates farewell.
3. Lindsey O'Steen happily receives her diploma.
4. Mr. Richard Gross, a member of the Board of Trustees, accepts the Class of 1980 for graduation.
5. Mr. Gary Mieger, principal of La Habra High School, presents the graduating Class of 1980.
6. Mr. William E. Dunton, Graduation Chairman and Chairman of the Fine Arts Department, announces the Class of 1980.

8. Derek Gerber receives warm congratulations from his family.
9. Mr. W. Keith Pendell, Scholarship Chairman and Senior Class Advisor, calls the class roll.

Seniors wait anxiously for the train to San Diego.

After taking a bus at 7:15 p.m. to the Amtrack station in Fullerton, boarding the train to San Diego, and riding another bus to reach Vacation Village, Grad Night '80 began at 11:00 p.m. on June 13, 1980. Vacation Village, located on Mission Bay in San Diego, featured dancing, electronic games, a live band, a buffet dinner, the movie "Superman," and Alfie, the Magician.

The senior class enjoyed a wonderful night of entertainment while saying good-bye for the last time to their classmates. Departing from Vacation Village at 5:30 a.m. on June 14th, the seniors arrived back in La Habra at 9:30 a.m.

*This year's Sadie Hawkins dance, the "Barnyard Bash," was held on October 12th in the LHHS gym, following a challenging football game against Brea-Olinda High School. Couples had a fine hoe-down to the beat of "Eclipse," who picked and strummed 'til the cows came home. Included in the excitement of the evening was a justice of the peace who "hitched" many eager couples. Congratulations to the Student League for providing this down-home event.*

# Through the Eyes of Love

Homecoming 1979 started off well with the announcement of Patti Lake as Homecoming Queen. The ceremony took place during the half-time of the homecoming football game. Patti was one of five girls on the court that included Carla Allen, Kristen Bowlin, Janine Foss, and Lindsey O'Steen. Beside the new court being present, three past Homecoming Queens, Julee Adams, Lori Kuwabara, and Anne Ramsay, appeared for the festivities.

The game preceded a dance in the gym, put on by the Senior class. The theme of the sparkling event was "Looking Through the Eyes of Love," but love-filled eyes weren't needed to see what a success the evening turned out to be.

# Cupid Shoots Arrows Of Love

On February 2nd, Cupid was working overtime to shoot the arrows of love at the LHHS Valentine's dance, held in the gym from 8:30 p.m. until 12:00 midnight. The Sophomore class presented an enchanting evening for the flock of lovebirds that attended this event. Thousands of streamers, doilies, and flowers covered the gym walls, displaying the tremendous amount of work and effort that was involved in making this dance a very special one. Highlighting the evening was the beautiful presentation of the 1980 Valentine's Court. Bill Bacon and Lori Foran headed the court as King and Queen. Connie Johnson, Corrine Pantoja, Marilyn Foran, and Michelle Clifton were the class princesses. "Southern Pacific" drew the dreamy couples onto the dance floor by playing romantic music throughout the evening. This year's Valentine's dance really showed that "Love Is The Answer."

# Prom '79 - Rose Sprinkled Splendor

Rose-strewn tables, dim lights, and the intimate atmosphere of the Ambassador Hotel added to the romantic aura surrounding Prom 1979. The dancers who wished to rest their aching feet could relax in the plushly comfortable lounge or wander through the fragrant gardens of the hotel. "Forever Like the Rose" was the theme chosen by the Prom Committee, headed by Mrs. Lucy Dutton. Giving a romantic touch to the evening, a rose was left for each girl at her place at the table, carrying out the theme of the evening.

At 10 o'clock the Coronation Ceremony was begun. Connie Johnson introduced the Court and announced the new Prom King and Queen for 1979, Kent Bandy and Mary Woida. Together with the Court, they were loudly applauded, the audience obviously pleased with the selection of royalty. Following the ceremony, the dancing and revelry continued until 12 o'clock, with music provided by Pat Anthony and his band. At 1 o'clock the scene shifted to the Hyatt Regency for more dancing and eating.

The dedicated Prom committee more than accomplished its goal of providing an entertaining evening for all concerned. Prom 1979 will, without a doubt, be remembered "Forever, Like the Rose."

# *Prom 1980 is Sheer "Fantasy"*

"Come to see victory in a land called fantasy." So started the fantasy of the 1980 Prom which took place on April 12, at the Disneyland Hotel.

Excitement filled the elegant Magnolia Room as friends gathered for pictures and conversation. A steak dinner was served at 7:00 p.m. followed by all night dancing to "Windfield Summit."

The coronation ceremony began at 10:00 p.m. with Master of Ceremonies Doug Cox. "If You Remember Me," this year's Prom song, was sung by senior Brian Philbin who created a moment we will all remember.

Prom 1980, "Fantasy," came to a close at midnight. The Huntington Beach Inn was the site for a delicious breakfast. Dancing to "Heaven" lasted into the wee hours of the morning. The breakfast came to a close at 5:00 a.m. as weary couples departed for home.

# *Christmas Magic Fills the Air*

The Christmas Dance, which was held on December 15th from eight-thirty to midnight, had a theme of "Christmas Magic." This theme was carried on throughout the evening by the sparkling decorations put up in the gym. A giant Christmas tree was placed in the center of the gym, and the green, white, and red decorations made the dance a real winter wonderland. The Christmas King and Queen couple were drawn and announced near the end of the evening. Jim Long and Linda Hollenbeck were chosen, and enjoyed their own dance together after the crowning. "Yesterday's Dream" displayed the musical talent for the rowdy rockers as well as for the more "mellow" dancers. This dance, sponsored by the Junior Class for the first time, ended as being a magical and memorable evening. Thanks Juniors and Advisors for the last minute effort to keep Christmas Magic alive on campus.

*Spooky music was brought to life by Mike Murphy and his unearthly colleagues. Its echo sounded to stir the selection of immortal beings present to dance and cower by the walls or in secluded corners.*

7. Here's the world's weight lifting champ, having just a bit of trouble with the weights

*The students at La Habra High had the opportunity to see the work of the magnificent mime, Mark Wentzel, who came to LHHS November 21st for a short assembly. This entertainer kept everyone enthralled by his silent humorous antics. He did stunts on his unicycle, portrayed guys and girls as they wake up in the morning, and imitated situations that students experience. Mark Wentzel created some very funny moments with his unique body language as he took the stage with his creativity and talent.*

# *Rallies Prepare Highlanders*

The La Habra Highlanders prepared for many games during the season with an enthusiastic pep rally, presented by the band and the pep units. Different skits were presented, the first being "On the first day of practice, Coach Senik said to us ,," in honor of the 1979 football players. Cheering competitions, class competitions, performances by the drill team, song leaders, and flags, talks by the coaches, and introductions of players were other "pep boosting" ideas, each helping to increase the growing involvement of the student body. Many students, teachers, and administrators attended these rallies, adding to the winning atmosphere and creating La Habra's very own spirit and pride, shown by all La Habra Highlanders at sporting events throughout the year.

1. Posters add life to pep rallies!
2. Ready, "Hut, hut, BEAT THE CONDORS!"
3. Super Sexy Seniors Shine.
4. Cindy Hall says, "Don't miss practice."
5. Andy Roush eats 'em up for the Seniors.
6. "We Got Spirit, Yes We Do!" smile Lynn Litchfield and Lavon Baker.

# Nurds Come Out of Hiding

La Habra High had its very own nurdy Nurd Day, which took place April 18th, 1980. Many students dressed their craziest for this unusual occasion, making the day a fun and strange one for all who saw the quite different costumes that arrived at school that day. From geeky hairdos to crazy socks, one could see many out of the ordinary creatures on the LHHS campus. The festive day wouldn't have been complete without our own Nurd King and Queen. Arriving on their throne with paper crowns and flowers awaiting them, Winifred Clements and Brent Kenefick were presented with the honors. This event was one to be remembered at La Habra for its enthusiastic participants and its definite "nurdiness" which made the day an enjoyable and fun one.

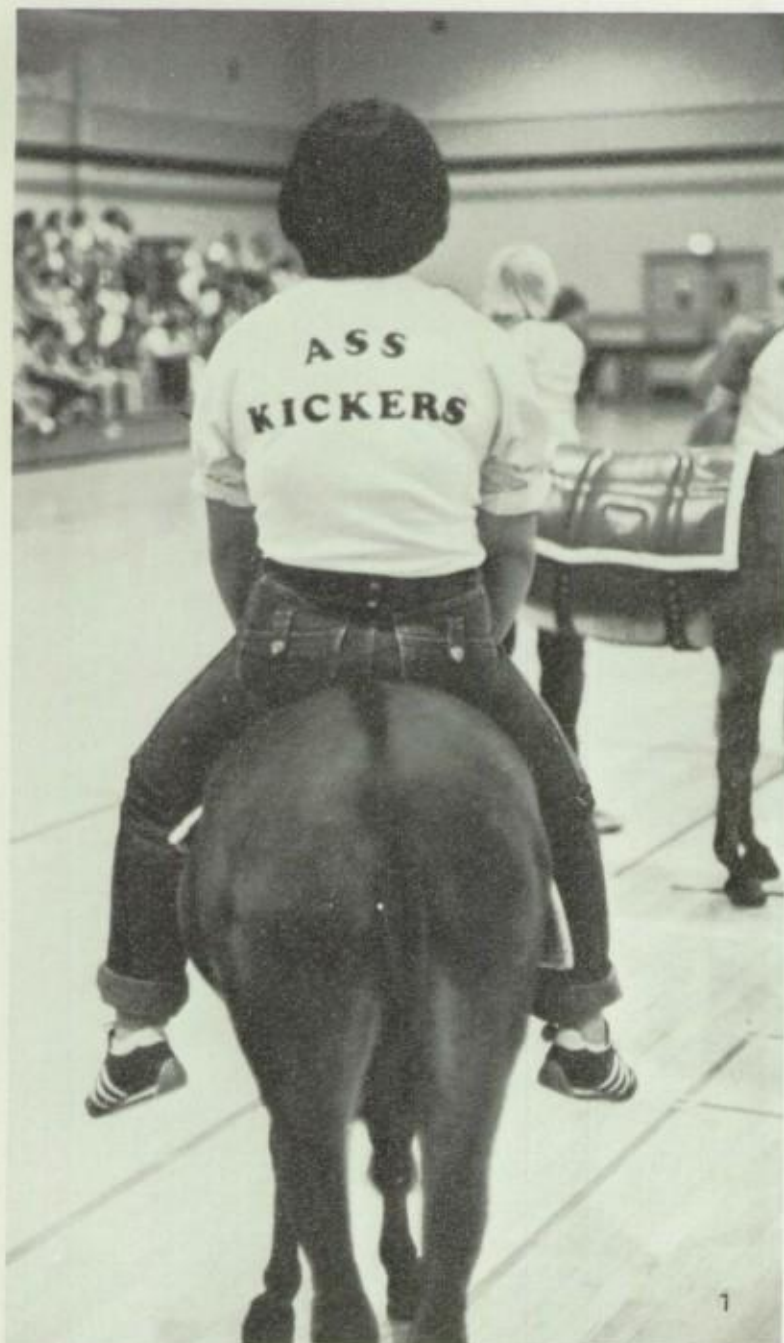

1. Lis Schwitters, Anna Maria Francia, Dayona Moody, and Shelley Hight decide the winners.
2. Winifred Clements and Brent Kenefick pose for their royal picture.
3. Susan Jizba loves her new outfit!
4. La Habra's nurdy cheerleaders Sandi Lomeli and Suzanne Kemp.
5. The Original Nurd.
6. Aren't we the nurdiest??" grin Sue Long, Susan Jizba and Winifred Clements.
7. "Smile, Lisa, they think we're cute!" smirks Janine Foss.
8. "Why didn't we get Queen?" puzzles Anna Maria Francia and Shelly Hight.

The annual Donkey Basketball game, ill-fated for the Seniors of 1980, was as much fun as it has ever been. The Seniors, this year dubbed the Ass Kickers, were beaten, 34-20, but they certainly put up a good fight. Bonnie Nash played a very productive center in the second half of the game, boosting the score some, but it wasn't quite enough. Team captain Andy Roush tried to keep track of his team, but the game gradually turned into a relatively tame free-for-all for the Seniors.

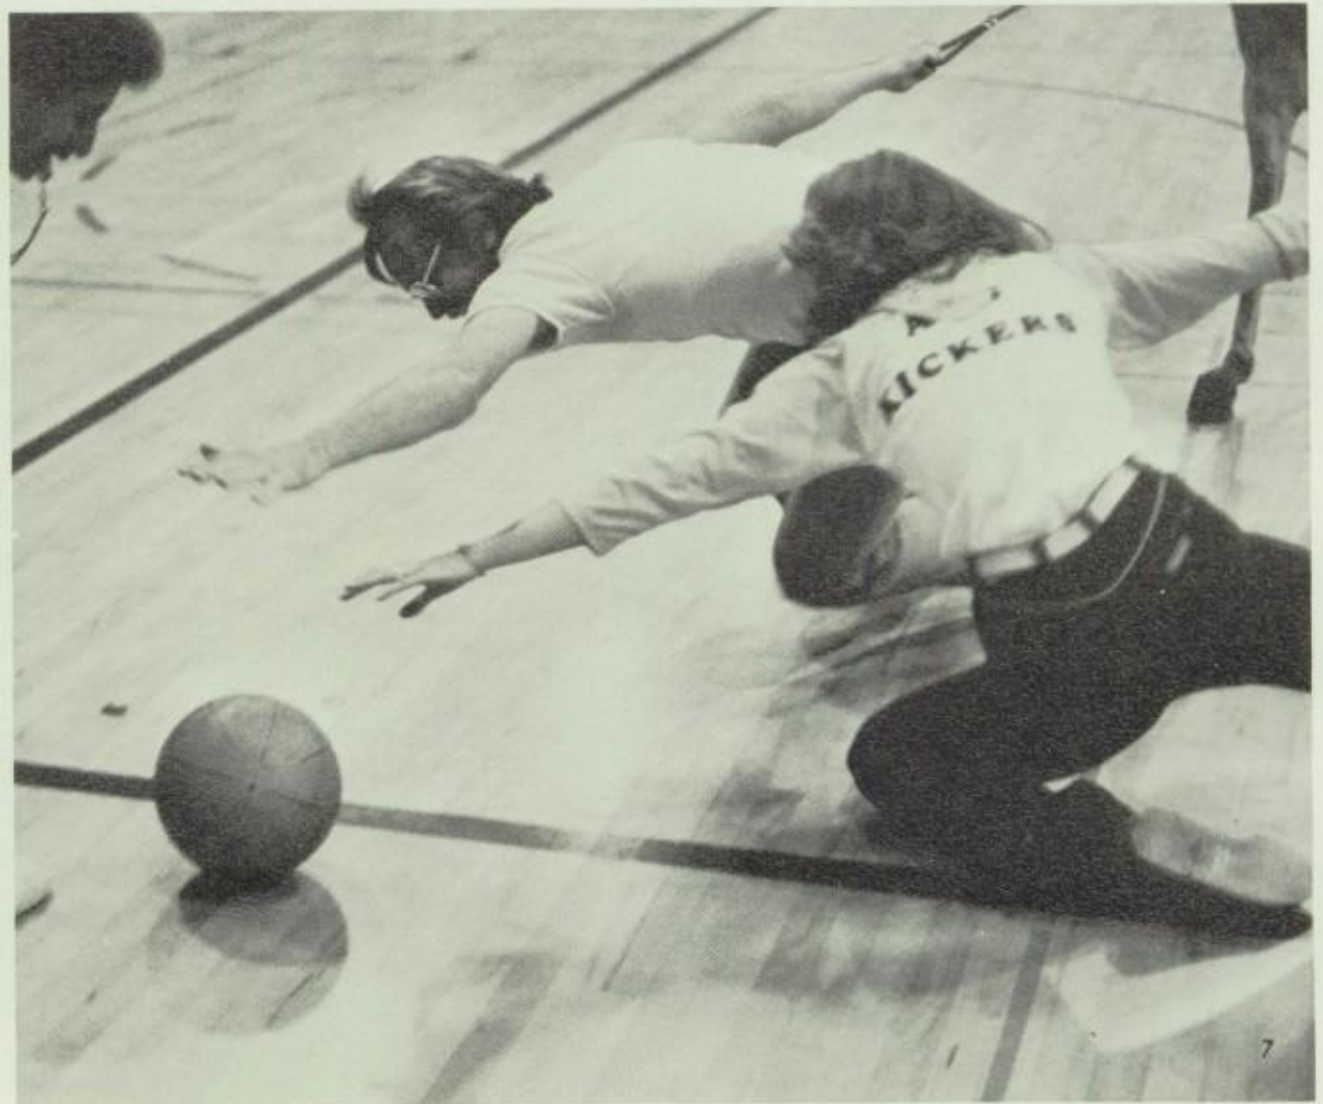

The faculty were more hard-pressed, but more experienced. They had fewer players, but they played hard and well, and won for their efforts. Thanks to all the participants, LHHS laughed its way through another episode of Donkey Basketball.

1. Seniors are
2. Andy Roush finds a new way to dribble.
3. Mr. Dolan races La Habra style.
4. Mrs. Cholewa and Mrs. Dutton entertain at half time as Donna Summer and Barbra Streisand.

7. Lynn Litchfield and Mr. Porter wave merrily to the ball.

# *Ass Kickers Provide Hilarity*

# *Scots—Our Pride and Joy*

Scotscapades was, is, and will remain La Habra High School's pride and joy. An annual musical event, Scotscapades has been occurring since 1959, when Mr. Dunton planned and produced the first show. He is still producing the show, and, with the help of the participants and stage crew, the show gets better every year. The show is casted by the students and they participate in many diverse activities. For some, this activity may be singing in a solo or in a group, dancing in one of the group dances, or in one of the specially prepared solo dances. No matter what the activity, it all takes time to prepare, and preparations begin during the first semester.

Scotscapades uses a fixed set of musicals-four groups of four musicals, one group used each year on a rotating basis. With this arrangement, no student will see the same show during his high school career. Every year the show is performed for the public for four evenings at the end of May and/or the beginning of June. This year's performance was the 28th-31st of May at 8:00 in the evening in the Stirling Gym. The shows highlighted were "West Side Story," "The King and I," "Brigadoon," and "My Fair Lady." Mrs. Dunton, wife of the producer, designed all the authentic costumes and Mrs. Godinez choreographed the dances, except those created by the students themselves. The band did an excellent job this year, under the direction of Mr. Mac Intyre. Both the school and the community look forward to Scotscapades as one of the greatest social events of the year at the school. Scotscapades is a unique and proud Highlander tradition that will endure as long as there are Highlanders at La Habra.

The LHHS Synergy club presented "Take It From The Top" March 12th to 15th in the Lecture Hall. This year's dance show included many different styles: jazz, disco, modern, classical ballet, jazz ballet, and kickline routines. Each dance was uniquely choreographed with flashy and sharp moves. The dances ran very smoothly and efficiently, and the girls involved had high morale. In charge of the dance show was Mrs. Myrna Godinez, who felt the participation in this show was great, and the participants were talented and cooperative. The beautiful costumes that added to the sparkle on the stage were all made by the dancers themselves or by their families. The effort put into this show showed up in each performance, and the enthusiasm in the dancers drew the entire audience into the show.

# Vaudeville Creates New Moods

"Vaudeville 1980," this year's musical fund-raiser for the annual event of Scotscapades, was held in the LHHS Lecture Hall January 16th through 19th. The unusually well-polished singing and dancing performance was directed by Nick Desatoff. Different styles of music, such as rock, medleys, and dreamy sentimental tunes were presented, and each added a new and distinctive quality to the evening. The program included such selections as the current, mellow "Sail On," the old favorite "Everything's Coming Up Roses," and, in sharp contrast, the quickly moving "One Way or Another." All were sung to perfection, thanks to the tireless work put in by every participant. "Vaudeville 1980" presented an evening of superb musical entertainment.

# Faculty Displays Unique Talent

"An Evening of One Acts," the LHHS faculty play, was held on October 15, 16, and 17 in the Lecture Hall. Three acts from different plays were presented, the first being "The Odd Couple." Bill Dunton, portraying Oscar, brought convulsions of laughter with his antics, such as strewing potato chips and spilling Coke all over the stage. "He's Having a Baby" presented a hypothetical situation in which men had babies. The talented cast portrayed women who nervously awaited the delivery of their babies, and released their anxiety in many comical ways. "Plaza Suite" entailed the perils of a nervous bride-to-be, and her frantic parents who had made elaborate arrangements for their daughter's wedding, only to have her lock herself in a bathroom due to last-minute jitters. The flawless presentation of "An Evening of One Acts" left the audience with tears of laughter and high spirits.

*"You Think It's Funny," an original comedy written and produced by David Lowe and Darrel Whinery, was the fall play at La Habra High held on November 26, 27, and 28th, 1979. With a series of take-offs on commercials, game shows, news, cartoons, soap operas, and movies, the Drama Department created a hysterically funny evening. The cast worked laboriously to paint and construct all of their own props, while practicing their lines for many hours. Phil Franklin and Brian Philbin were responsible for the handling of the stage lights. The actors impersonated different people and copied products to create very humorous take-offs on the shows and commercials that are seen on T.V. La Habra's talented Drama students captured the audience with their professional performance.*

4. "Ha, ha, ha, very funny," exclaims Connie Johnson.
5. Bruce Hartman in his modest pose.
6. "Boy, aren't we exciting??" think David Lowe and Darrel Whinery.

Drama II presented "An Evening of Scenes" March 17 in the LHHS Lecture Hall. Two very fine plays were portrayed, one a tragedy and the other a comedy. "The Effects of Gamma Rays on Man-on-the-Moon Marigolds," the first scene, was a tragic example of the effects of gamma rays. "The Typist" was a humorous story of a young man and a young woman employed as typists. This scene displayed the transition of youth to old age, and the struggles of daily life. The show was presented only one evening, and lasted approximately one and a half hours. Mr. Reule, director, felt the show was a success. He was pleased with the performance of the actors and actresses in the polished production of "An Evening of Scenes."

The advanced drama club of La Habra performed a comedy by Moss Hart and George S. Kaufman May 14 through May 17. The play, "George Washington Slept Here," was directed by Jack Reule.

The plot of the story centered on an average couple's quest for the simple country life. The problems encountered during the drama were challenges for the family involved. The husband had bought a house in the country that had not a drop of water in the plumbing. The wife did not want to move to the country in the first place. The daughter was having an affair with a married man. The assortment of picturesque locales and maulading relatives added to the charisma that made "George Washington Slept Here" well worth seeing.

1. Entire cast of "George Washington Slept Here."
2. Robbie Isaacson playing a mischievous Raymond.
3. Friends and family feud over dead skunk in the middle of the pool.
4. An intimate scene on the stairway between Jeff Torkelson and Connie Johnson.
5. Frank Ortega doing chores.

# *A.S.B. Follows Tradition*

*David Golden A.S.B. President*

*This year was everything! Exciting, emotional, and rewarding. It was a learning experience for everyone, students and citizens alike. We were able to see how a school and community fought for the survival of their school, during the crisis period of school closure.*

*With the help of KOSO (Keep Our School Open), La Habra High showed strength, stature, and dignity to win the uphill battle. This very much reflects the unique type of people associated with our school and community which makes it the very finest.*

*There are several organizations which make La Habra so well-rounded. One of them is the Associated Student Body government. Under the advisorship of Mr. Porter, La Habra has made a tradition of strong and active leaders, who function for the welfare of the entire student body. This year's cabinet was no different, and their leadership qualities were unsurpassed.*

*Those students who are attending La Habra now can look forward to their remaining years at this educational palace, and the students that we will welcome in years to come will soon know what it is to be a Highlander!*

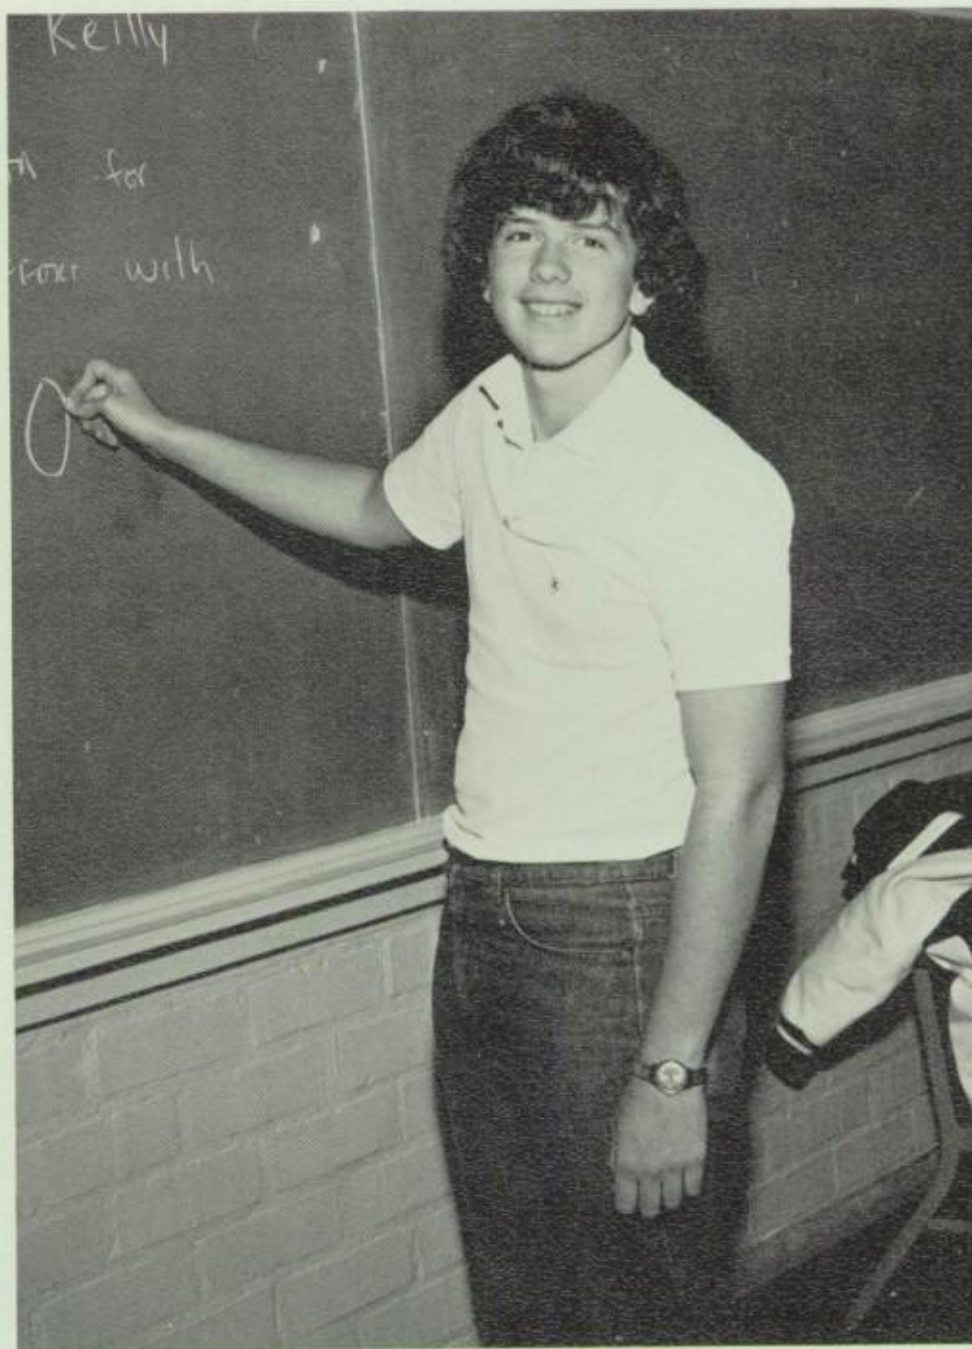

*Sincerely,*

*David B. Golden*

All A.S.B. Cabinets and leadership classes work for one purpose, the students. The leaders in this year's group were no different; they organized many successful dances after the sports events, and followed through with them. Donkey Basketball, the traditional sports event sponsored by A.S.B., also was well received.

Every year the leadership class is asked to produce the A.S.B. Convention which was held on May 2, 1980. The activities they sponsored were successful, much like themselves.

6. Dave Williams, Mr. Athlete, Commissioner of Athletics.

# First Woman A.S.B. President!

The 9th annual A.S.B. Nominating Convention held on May 2, 1980, marked the future in La Habra government. With the joining of La Habra and Lowell High Schools the candidates nominated at the convention will start the new future of the joined schools. Emulating the United States National Party Primaries, the A.S.B. Nominating Convention narrows the amount of candidates to two for each of the four A.S.B. offices. The convention included approximately 100 elected delegates. However, there were many factors included in the convention which gave it a real-to-life appearance (besides the delegates dressed according to their states). There were large banners publicizing the various candidates, a computer vote-tallying system, and a tight security system to keep everything in proper order. Also, there was a special guest speaker the A.S.B. President at Lowell High School, Ron Schuler, who spoke calmly, seriously and with sincerity under the difficult situation. Ron and the first girl A.S.B. President at La Habra High, Susan Jizba, will work together for the future good of La Habra High.

# Foreign Exchange Mixes Cultures

Dear Students,

My name is Flaviano and I'm an exchange student from Brazil. I'll tell you a few things about my life there. I live in the city of Joao Pessoa, which is in the state of Paraiba. The state of Paraiba is situated in the northern part of Brazil. I am 16 and have one brother and one sister, and my father owns a sugar mill and a plantation. I attend a private school in Brazil. My courses are more difficult than here at La Habra; also I had more courses in Brazil. My favorite subject is math because you don't have to speak English. I want to major in agricultural science so I can then take over my father's business.

At La Habra I like the students and I think they're very friendly. I also think that La Habra has a very clean campus. I am very impressed with your large shopping malls. I would like to visit Hollywood because it is very famous. I would also like to say that I'll miss the students at La Habra.

Flaviano Neto

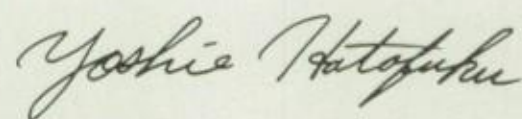

Dear Highlanders,

I have been thinking all the time what I say first. But I could not find out. Because this is so sad. When I came to La Habra High, I was very surprised because everything is different from my country's school. And I could not understand English very well. But my friends, my teachers and my host parents helped me. So I was really happy staying in America. I want to say "thank you!" Then I enjoyed the football games. This was the first time for me. When I go back to Japan, I will tell my family and my friends America is great! If you want to go to Japan, I welcome you anytime. I have to leave La Habra High, but I leave with my wonderful memories and much love. I don't want to say goodbye. I believe I can come back to La Habra High some day for a visit. But for a little while I'll say "goodbye." I will remember this great experience all my life.

So, see you later !!

Yoshie Hatafuku

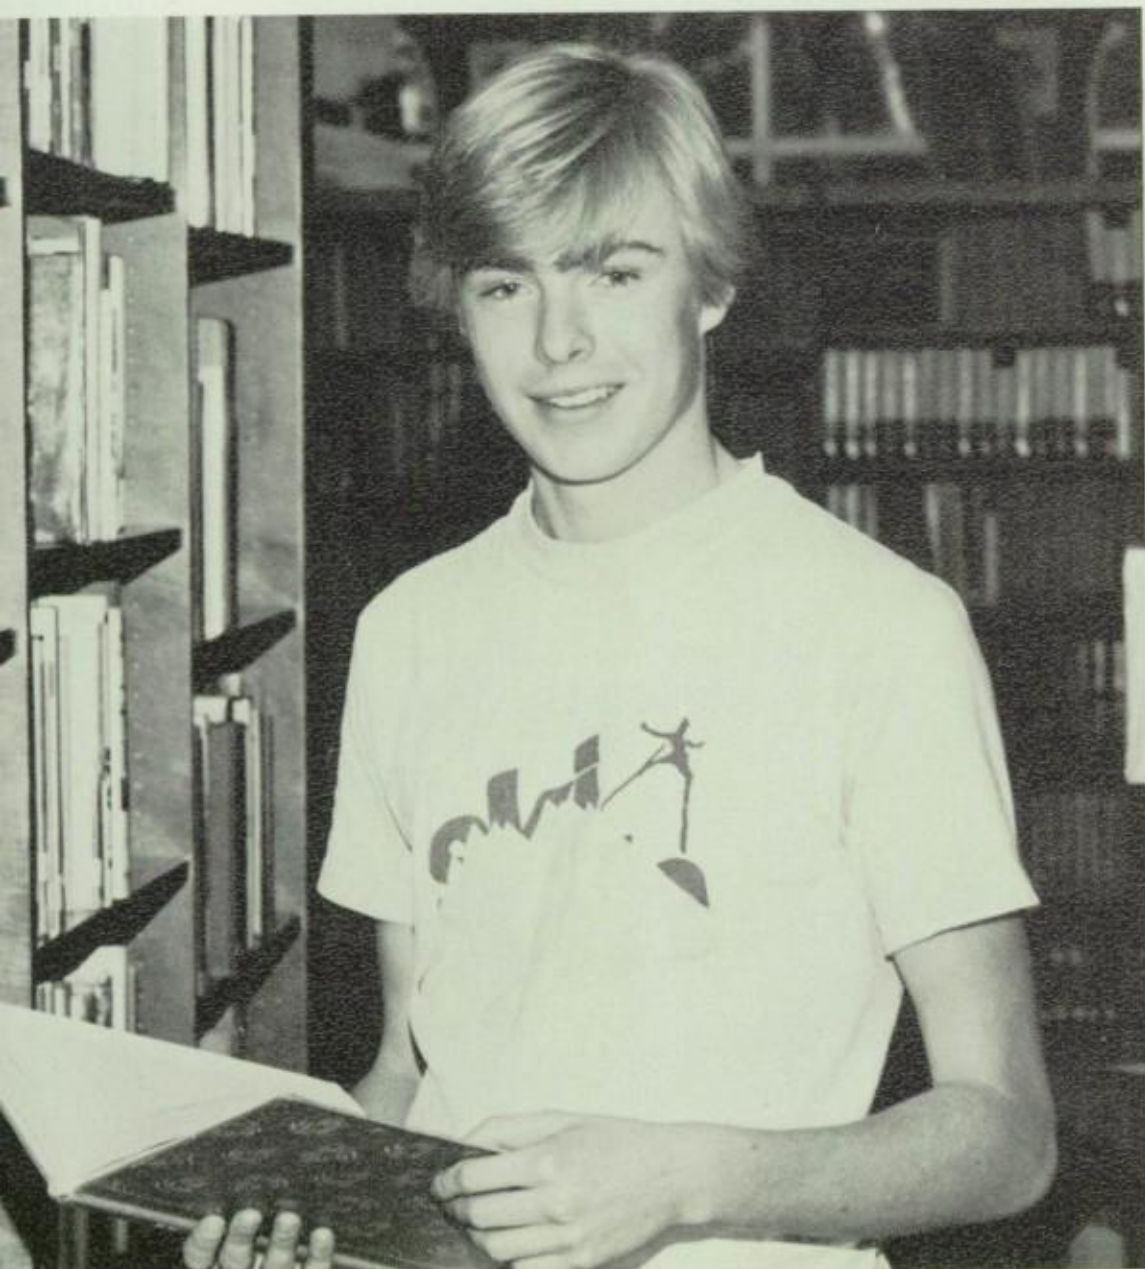

*I dedicate this letter to all the student body:*

*I do not know how to begin this letter because I have too many things that I would like to say. Because of this school, I can say that this has been the best year in my student life. I have been able to meet so many different people from whom I have learned so many things. Another thing that I won't forget in my life is all the nice people that I know in this school and in the United States. As an exchange student, I have done a thousand things that I did not do in Venezuela, especially in school where we do not have as many extra activities. To finish this letter I would like to say thank you to all the super people that I have met and to all my friends and teachers because without their help I would not have been able to have this most wonderful experience in my life.*

*Me despido  
Con muchos recuerdos,*

*M. Soldevila*

*Hi Highlanders!*

*I have really had a great year here at La Habra. The people in La Habra have been real friendly, and I have made a lot of new friends. I'm going to miss you all (especially the girls!)*

*L.A. is a really great place where you can both ski and surf. However, I need a lot of practice on my surfing. Being an exchange student in the U.S. is really something special. You get to know all those new people, cultures, and sports (I still don't understand baseball). Something else that we don't have in Sweden is the school spirit; I mean, you Highlanders are really great, and I know I'll think a lot about you when I get back to Sweden. One thing I know for sure now is that California-that's the place - and I'll be back. Thanks for a great year!*

*Vi Syns!*

# Deserving Students Are Awarded

Each month the Student League awarded a deserving student the title "Student of the Month." The special student was chosen for his or her outstanding participation in the school's activities. As there were many students who fit the requirements, the Student League called in quite a few people for interviews before deciding each month.

Though the Student League had an extremely difficult time deciding on just any one person, they eventually chose someone who they could be sure was worthy of the distinction.

1. September-Dave Golden: As ASB President, Dave's senior year was the height of his extended ASB career. Much of his time was spent on ASB activities, but when he wasn't busy with the student government, he went to basketball workouts in order to stay on the varsity basketball team. He was also Senior editor on the yearbook staff and danced in Scotschapades. Next year Dave intends to go to the Berkeley School of Optometry.
2. October-Crystal O'Neal: Crystal was very involved with music in her senior year. She was the stage manager for One Acts. She was in Vaudeville, Concert Choir, Mixed Chorus, and Scotschapades. Crystal has a large collection of owls, and likes to read and fish. She intends to work next year and would like to eventually get a job in the court room as a court reporter.
3. November-Frank Ortega: Frank has an unusual job and career goal, besides being a busy senior. He is the Head Bakery Pastry Chef for the Hyatt in Anaheim. He would like to follow it up in the San Francisco Culinary Institute after going to Cypress College for two years. Frank was on the Homecoming and Reflections committees, was drama historian, was in several drama productions, and was a photographer on the yearbook staff.

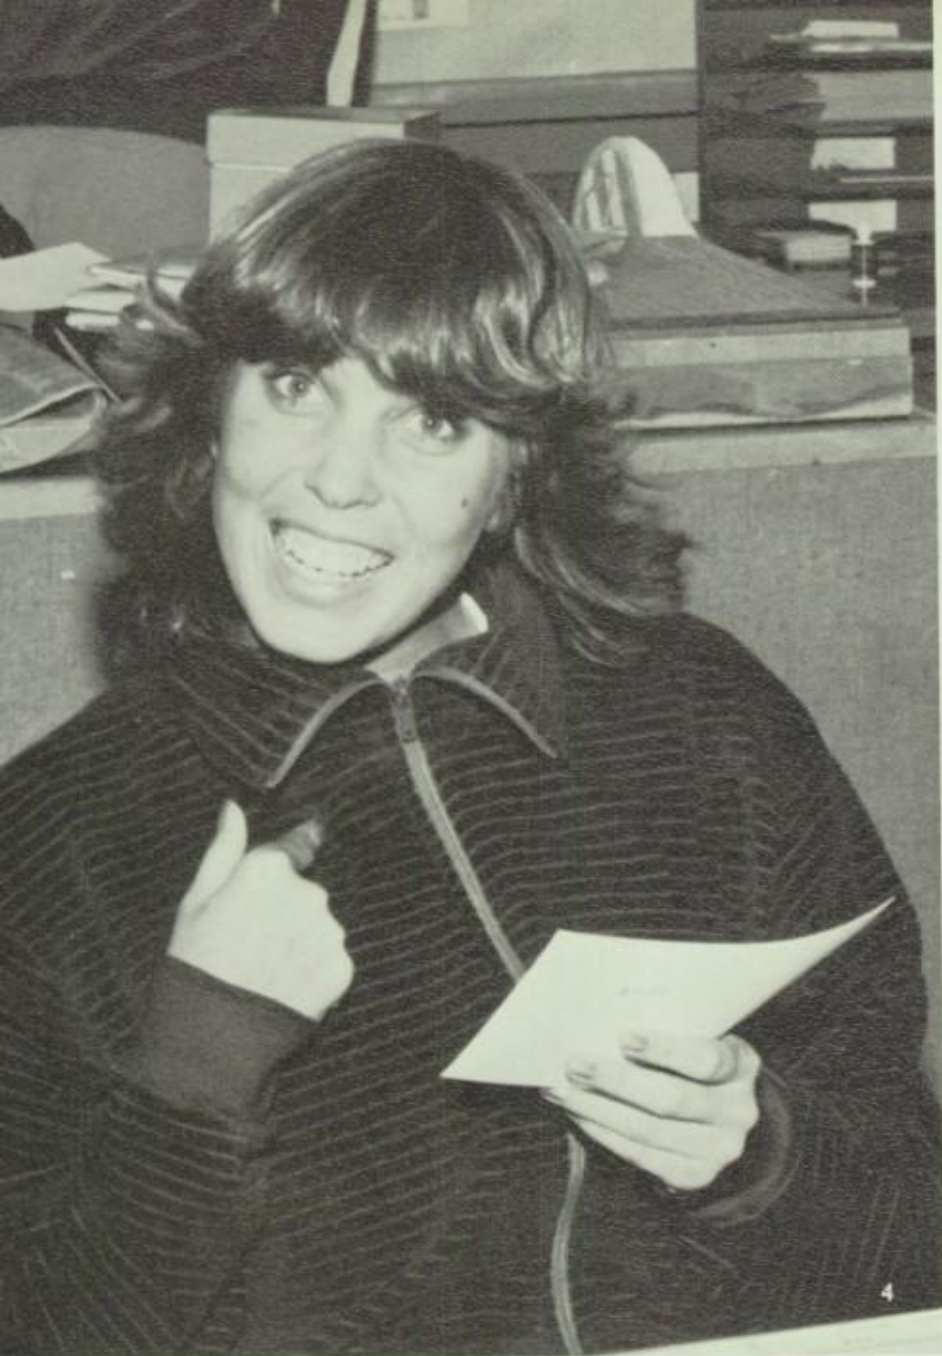

# Student League Gives Honors

1. December-Connie Johnson: Connie spent most of her time doing many diverse things on campus. She was the Senior Class President, and the Drama Club President. She was on the WASC and Reflections committees, and the ASB Executive Cabinet. She performed in several drama productions, had a solo in Scotschapades, and was on the Valentine Court. In the fall Connie will go to Chapman College and would like to get into the public relations field.
2. January-Nick Desatoff: Nick has many different interests, along with being a busy senior. He directed the musical, student-produced show, Vaudeville. When he has time, he likes water and snow skiing, racquetball, nesting, skating, shooting and music. In the future, Nick plans to work for Desatoff Construction Co. With his interest in computers, he would like to design a program to ease the paper work at the company.

3. February-Betty Enriquez: In February, Betty was extremely active on an ad hoc committee for the school closure issue. Betty was also active as the President of UPP and in getting the Cinco de Mayo fiesta together. She worked for the police department as a clerk. As a result, she would like to attend junior college and go into juvenile counseling.

4. *March-Lauren Brady:* Many thanks should go to Lauren for doing so much backstage work for the dance show. Beside helping with the show, she was a Songleader, on the yearbook staff, in Concert Choir, and sang a solo in Scotscapades. She was in Vaudeville and was involved in organizing the Seaside Rendezvous. Fortunately, Lauren loves her job as a seamstress and likes to design her own clothes. She would like to become a fashion illustrator or a costume designer and plans to attend the Fashion Institute.
5. *April-Maggie Roush:* Maggie was involved in many different activities in her junior year. She was the Junior Class Vice President, was one of those that put Prom together, was the Business Manager on the yearbook staff, and was in the Leadership class. Junior class activities kept Maggie busy, as did the spring dance show.

6. *May-Janine Mason:* As Sophomore Class President, Janine was very wrapped up with government affairs. This year the sophomores did a lot of fund raising and put on this year's Valentine Dance. She was also extremely active in KOSO and was a speaker at the public meetings. Janine also loved being a JV Yell, as she is very spirited and energetic. Since Janine was so active on the KOSO committee, next year should prove to be both fun and different for her with Lowell High students attending La Habra.
7. *June-Dan Baird:* Dan did an excellent job setting up the 1980 Nominating Convention. It went unusually quickly thanks to the massive organizing that went on beforehand. Dan was the Commissioner of Student Relations during his senior year, along with being Editor of the school newspaper. Next year, Dan plans to go on to college.

# Student League

The Student League of La Habra is an organization which has traditionally worked on raising funds especially for Senior Scholarships. These traditions have risen from the California Girls' League, whose guiding purpose is to serve.

Student League activities have been social events such as the successful Sadie Hawkins dance in October and the Mother-Daughter Tea in January. The Student League also developed the idea of a Hula Hawkins dance which was put on in May by Student League and two other clubs. The Friendship Flower sale was another successful activity.

Student League service projects have consisted of painting the traditional hall names on the appropriate walls of the school, cleaning the stadium, bake sales, helping with children's festivals, being spirited participants in school activities, volunteering for activities, putting on the faculty luncheon and presenting the Student of the Month award. Student League also gives their money for scholarships.

## Quill and Scroll

International Honorary Society for High School Journalists

*La Habra High School Chapter*

Quill and Scroll, the international honorary society for high school journalists, was organized April 10, 1926, by a group of high school publications advisors. The purpose of Quill and Scroll is to encourage and reward individual student achievement in journalism, creative writing, and allied fields. This year's honored students were selected from the journalism class taught by Mrs. Dodd, and Mr. Pendell's publications class. All students in Quill and Scroll have done superior work in some phase of journalism or school publications. They also must be recommended by their advisors, be in the upper third of their class and be either a junior or senior. These twelve students have met and achieved the requirements and deserve Quill and Scroll membership.

# Future Farmers of America

La Habra's Future Farmers of America have had an outstanding year in 79-80. A spirited group, they have cheered each other on to victories in Parliamentary Procedure, project competition, and the Orange County Fair.

La Habra is the annual host of "Farm Fling", a livestock show and competition. Other chapters of Future Farmers of America from all over Orange County participate in "Farm Fling." This gives them a chance to show their livestock and test their skills in showmanship before appearing at the Orange County Fair. Prime quality livestock that are hand-raised individually and some of the top showmen in the region show here.

At the Orange County Fair, La Habra has a past history of champion livestock. With many high-placing showmen and livestock, La Habra usually places high in this big event. Good luck to all Future Farmers of America.

## Datamation

This year a new club, Datamation, was resurrected from the dying Ecology Club. After calling an Ecology Club meeting, the two existing members successfully changed the club name and constitution, and transferred the club funds into the new club. With an instant club treasury and the guidance of our advisor, Mr. Porter, Datamation bought equipment that expanded the existing computer facilities, including a device that allows music to be played on one of the machines. The club's purpose is to bring together computer enthusiasts and to promote computer science. Anyone who wishes to learn about the rapidly growing computer world and have a great deal of fun at the same time should join Datamation.

# National Forensic League

In 1957, La Habra High School was installed as Chapter #1301 of the National Forensic League. This organization has been on this campus continuously since that time. NFL is comprised of students who have excelled in competitive speech while attending La Habra High. The organization is open to any student who competes in speech and meets the grade point requirements.

The La Habra High School Chapter of NFL is currently the leading chapter in the Orange County District. This chapter has been awarded the outstanding chapter award twice in the past 7 years by the national organization.

Each year the National Forensic League holds a national championship tournament. Students from La Habra High School have qualified for this tournament six times in the past eight years.

We are proud of our past achievements. We hope to continue to strive for excellence and to represent La Habra High School in competitive speech at a level that will bring recognition and respect to all students at La Habra High School.

# Tennis Club

The main function of the Tennis Club, advised by Coach Wright, is to add needed equipment and various extra supplies to the tennis program. Money from fund raisers such as run-a-thons and tennis-athons has been used to purchase ball machines and trophies for outstanding tennis players at LHHS. Members also participate in tennis related activities. This year's group went to see a professional tournament and also staged a mixed doubles tournament themselves. Most members are either on the girls' or boys' tennis team, but anyone who has an interest in tennis is welcome to join in on the fun.

Front Row: Jody Amendola, Michele Simon, Wendy Worcester, Ceci Grijalva, Yvette Hernandez, Shelly Bacon, Joanna Chen, Russ Sprinkle, Dave James, Khosro Ebrahim; Row Two: David Smith, Kristen Sawiak, Laura Liva, Darren Fregoso, Gary Gandara, Jeff Holoubeck, Richard Chen, Larry Rustia, Dave Shaheen, Ron Poole, Luis Navarro, Roberta Menagh, Jose Ferrino; Row Three: Bill Green, David Quirarte, Shawn McHenry, Shane Kelly, Kirk Sumida, Bill Schorsh, Paul Dorado, Dylan Lawson, Dan Brown, Danny Magdaleno

# Chess Club

Chess is an intense game requiring an immense amount of concentration, and the members of this year's club all improved their skills with practice and competition. There is a wide range of proficiency within the club. Some players have just learned the game; others are more advanced and have already participated in County tournaments. The chess ladder was first determined by a round-robin tournament, and successive challenge matches kept the competition keen. Players of all levels are welcome to join. We hope in the future, with Mr. Wilmeth as our advisor, to increase our membership, and enter some local chess tournaments.

Front Row: Ken McLeod, Richard Chen, Joanna Chen; Row Two: John Trevgoda, Gary Gandara, Chad Elliot, David Tonnesen, Wendy Worcester.

# Lennox Library Club

The Lennox Library Club is a loosely organized group of students concerned with libraries. They had author days and book sales in the past, with the money raised being used to buy items for the library which the budget does not provide for. There were no dues, and any interested student may belong.

Front Row: Dorothy Ashby, Leslie Leath, Jane LaBella, Leanne Ethier, Linda Fiddler, Gina Estrada, Denise Granger, Chian Sung; Row Two: Kirk Matsushige, Laura Garvin, Anita Morales, Sharon Thomlison, Sam Edwards, Sandra Stevens, Lisa Brummel, Linda Reeves.

# French IV

The only project of the French IV class this year was to paint a massive mural on the walls of room 93. A scene depicting the Champs-Elysees with typical Frenchmen resides on one wall, and the opposing wall represents an inside view of the renowned French museum, the Louvre. This monumental undertaking was supervised by Mrs. Lucy Dutton, the French IV teacher. Mrs. Dutton provided all of the materials along with a constant stream of constructive artistic critique which invariably began with the words, "I know nothing about art, but..." The tremendous effort exerted by everyone involved resulted in an end product which can only be rivaled by the ceiling of the Sistine Chapel. This artistic masterpiece is the legacy left by our French IV class for the posterity of La Habra High.

Front Row: Bev Van Dam, Jody Amendola, Kristen Bowlin, Tammie Thompson, Gina Estrada; Row Two: Carl Cook, Roberta Menagh, Betty Gonzalez, Jackie Hines, Mrs. Dutton, Lesley Ballin, Joanna Chen, Ken McLeod.

# Pub. Has New Ideas

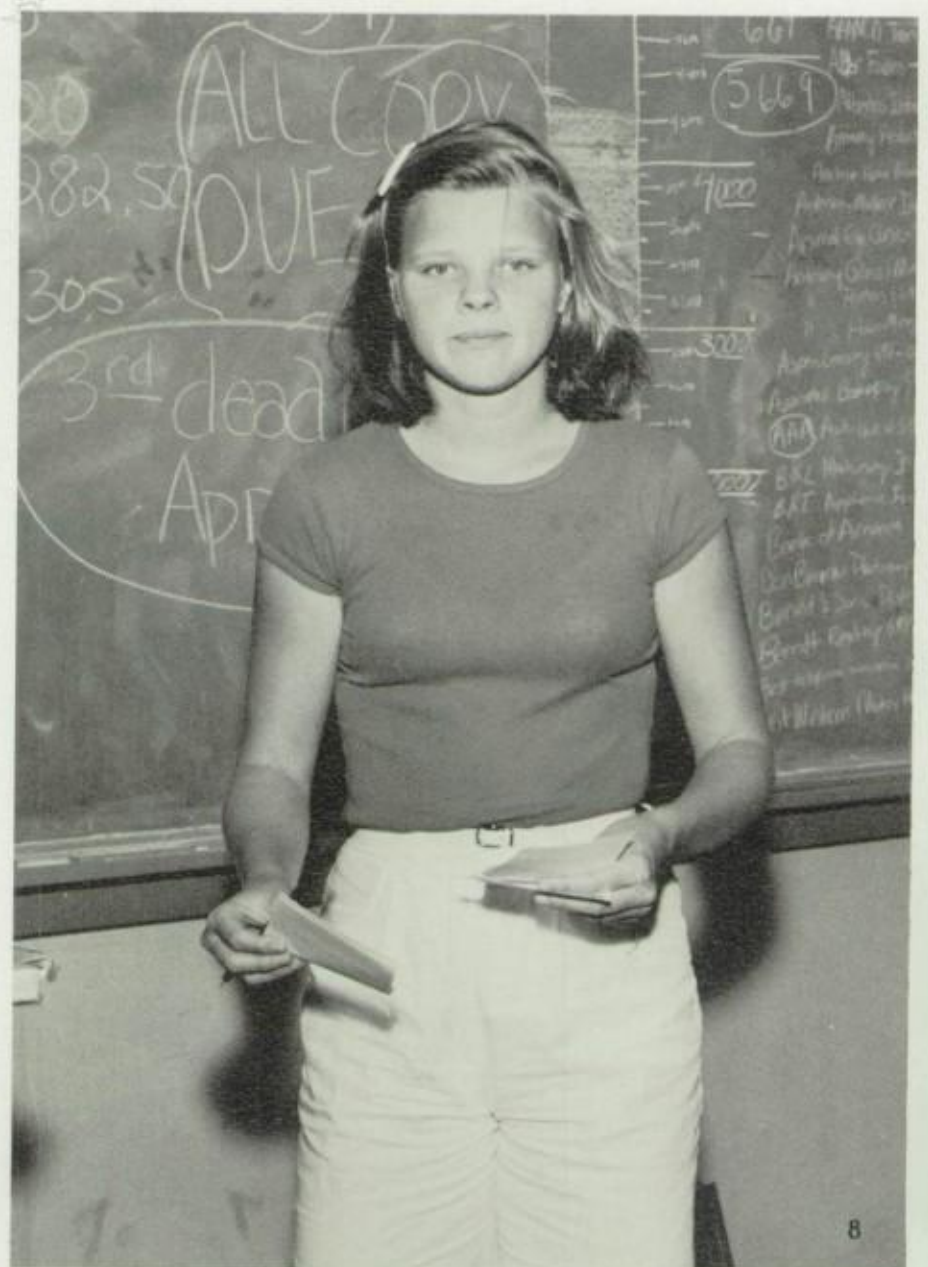

This year's Publications staff was a fun-loving, hard-working group striving toward a definite goal, the 1979-80 Hieland. The Hieland has been renovated and many new ideas, such as fall delivery, have been put to use. Although the class didn't quite meet the budget set for the colossal book, the staffers sold the most ads and came the closest to the budget than has been accomplished in a long time.

Fall delivery was an experiment that enabled the staff to add more pages, for a total of 384. That is the largest ever to be published at La Habra. With so many pages, events that were never able to be in the book were added- Scotsapades, Senior Week, Graduation and Grad Night, and the current year's Prom. Though a bigger book meant higher costs, the outcome was worth the work and expense. We at La Habra now have another reason to be proud of our school.

*With much hard work and long hours, the 1979-80 Scotch Tape staff succeeded in producing a quality newspaper. The staff well-represents the student body of La Habra.*

*Under the experienced advisorship of Mrs. Mary Dodd, the group works between deadlines to put together articles and features; then when deadline time approaches, work goes on without stopping until all is finished.*

*Although the staff is young, with only two experienced people, they have managed to produce more and better papers than in previous years. Their success is due to all of their hard work and dedication.*

# Yells Create Enthusiasm

Enthusiasm and excitement were what the 1979-1980 Varsity Yells created when they cheered at all of La Habra's games. This year they had more new cheers to present at each game with new steps and moves. They also changed the style in cheers with more precision, but still kept the traditional style of boogie moves. These girls began working extremely hard at the start of the summer and all through the year. They began by making up competition cheers which they intended to present and compete with at camp. This year, for the first time, the Yells attended a new camp in Santa Barbara, called U.S.A. Cheerleading Camp. Here they competed with their outstanding competition cheers and received many awards, such as claiming the "spirit stick" each day, and taking high honors with their cheers. Along with these outstanding achievements, they received 1st place ribbons in their classes they took during the day. They also learned various cheers which they brought back and used at the football and basketball games. The crowd learned these cheers, and readily chanted along with the Yells to help cheer on our winning teams. The smiles of these girls' faces made everyone feel included at all the games, and the relationship with the crowd was tremendous. These six girls deserve a lot of gratitude for their hard work and time.

Jazz, precision, and pom-pom routines were only part of the 1979-1980 Songleaders' obligation towards our school spirit this year. They also ignited spirit by cheering enthusiastically at games for all sports this year, at which they all shined with spirit. The songs began practicing just a few weeks after tryouts, and continued all through the summer. They also helped put together the pep rallies and performed their excellent routines at football and basketball half-times. These six girls also attended Hibbard's California Clinic in July. There they learned various routines to jazz and rock music such as "My Sharona." They worked very hard on routines which they presented at camp and competed with other schools for which they received awards, such as first in spirit and a second and a fourth for their superior routines. Our songleaders were also selected to perform at an L.A. Rams football game, for which they were all very excited. These girls put forth great amounts of effort and time into all their work. This year seemed to be a very fulfilling year for all of the songs. They deserve a great amount of gratitude. The songs will have a lifetime of pleasing memories and will always be remembered for their tremendous spirit and pride in La Habra High.

# Flags Share a Memorable Year

The 1979-1980 Flag Twirlers had a very exciting and memorable year together at La Habra. The six dedicated girls began practicing their complex routines as soon as they were chosen for the squad. They toiled to perfect their one and two flag routines in order to be competitive at camp. As a result of their long, hard hours of work, the girls had second and third place wins as well as a first place trophy for their spirit and exuberance. Not only were the girls well-known at La Habra High, but they were also invited to perform at two Los Angeles Rams football games, which was a great honor. The Flags also performed at pep rallies, football games, and basketball games. La Habra Highlanders should all be proud of this talented and enthusiastic group of girls.

# *JV's Practice For Perfection*

The Junior Varsity Cheerleaders had a tremendous amount of work supporting all the freshman, sophomore, and JV teams. This job was extremely difficult, but they did an excellent job. They began practicing at the beginning of the summer, preparing for camp. They competed with their competition cheers, and received "superior" and "excellent" ratings on their routines. They learned cheers and chants which they brought back to promote spirit at LHHS. They were pleased with the outcome of their efforts.

*This year's pep squad had a very fulfilling year with new experiences and ideas. The Pep Commissioner this year was Virginia Bristol, who organized all of the peps' events and solved the problems that the peps had. Bake sales, ribbon sales, and candy sales all brought in money for paint and poster paper used to brighten up sporting events. The peps and mascots not only promoted spirit by cheering at the games, but they also filled the stands at football and basketball games with enthusiastic La Habra supporters. This year, for the first time, the peps went to camp. They brought back numerous ideas on pep rallies, skits, and poster slogans. They also had new ideas on how to involve the entire student body in school spirit. This year was a learning experience as well as an enjoyable one for all the peps.*

# Concerts Create New Sound

Concerts featuring La Habra's music department took place in October, December, and March. The funds raised by these performances contributed to the production of *Scotskapades 1980*.

In addition to the performances of Concert Choir, Mixed Chorus, and orchestra, this year's concerts were highlighted by the sound of a new jazz ensemble along with a saxophone duet with Mr. MacIntyre and Edmund Velasco. Selections from chosen musicals were heard as well as contemporary, spiritual, and popular tunes.

The Hieland Lassies displayed their dazzling talent in complicated Scottish dances with accompaniment provided by Ross Grant on the bagpipes. The time and effort put into the 1980 concerts showed in the finished productions. Congratulations and thanks to La Habra High School's music department for another year of fine concerts.

2. Kelly Higbee, spring concert soloists, performs "If God Before Us."
3. Mr. MacIntyre directs the orchestra.

# Old Traditions are Revived

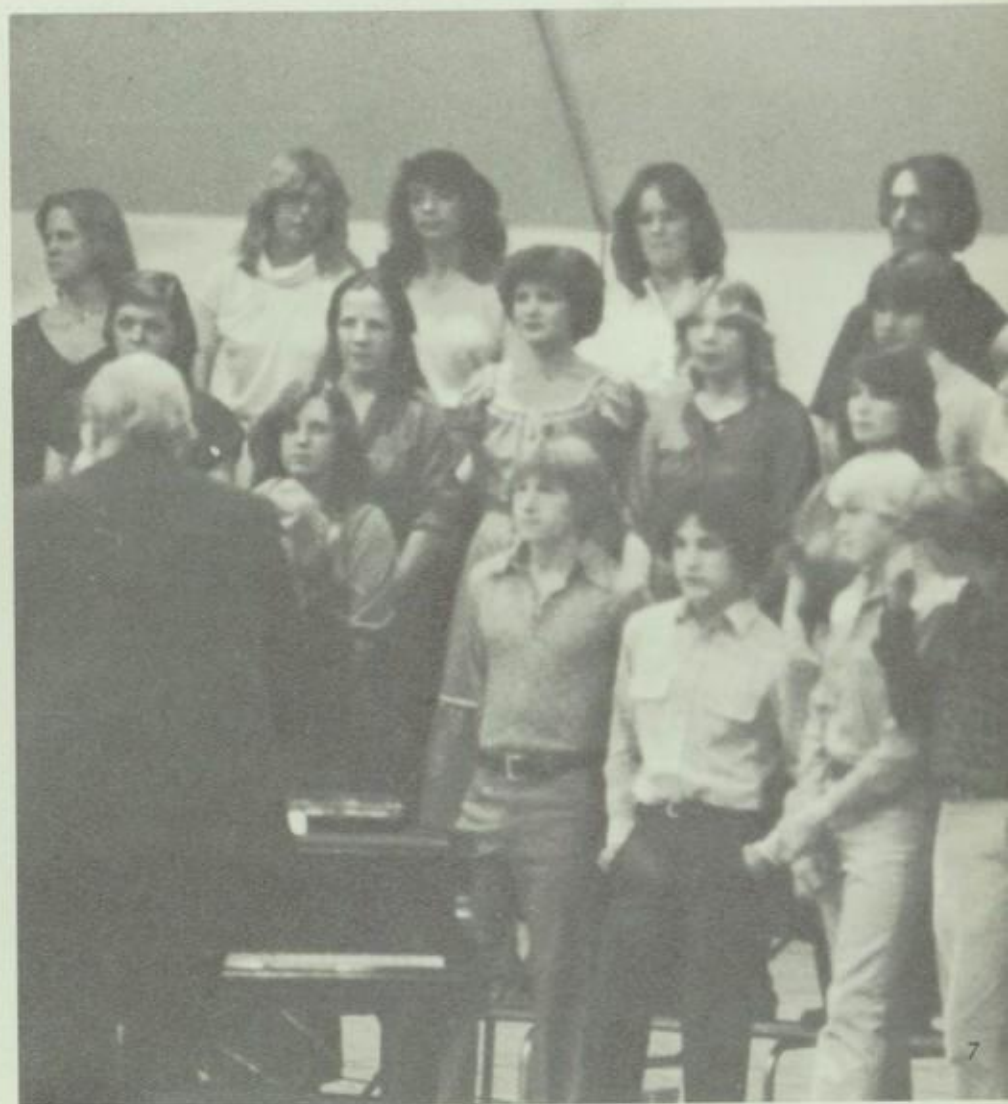

The 1979 Fall Concert was exceptional, due to immense effort made to bring back some of the old Highlander traditions. The Highland Lassies, along with a bagpiper, were stormed with applause by their performances. The dances were intermingled with numbers by Concert Choir and Mixed Chorus. The band and drill team, and a saxophone duet, further enhanced the evening, which was an overwhelming success.

1. Laura Garvin and Lisa Brummel dance in jig time.
2. Mr. Dunton urges the Concert Choir to sing.
3. The band bewitches the audience.
4. Ross Grant is the essence of Highlander tradition.

# Mixed Chorus Spreads Cheer

Every year La Habra's Mixed Chorus, besides giving night-time concerts, goes into the community, spreading seasonal cheer and happiness to convalescent homes and women's clubs. They are valued not only by the Highlanders, but by all who hear them. Mr. Dunton, their revered director, does a remarkable job with the singers, as is obvious by just listening to them.

# Band And Drill Perform Expertly

This year the Highlander Drill Team, led by Captain Gina Hawks, co-captain Kathy Clifford, and advisor Scott MacIntyre, had a fulfilling and busy year. They started things off by traveling to Cal State Northridge for three days of camp. In addition to claiming numerous "superior" and "excellent" ratings, they received the "spirit stick" for all three days. At the Lowell High School Half-Time competition, they took 4th place. The Drill Team also participated in the Saddleback Pep Competition, as well as other local competitions. In February they went to Carson City Parade and scored very well. They participated in several local parades throughout the community during the year, to make a well-rounded time of hard work and enjoyment for all the members.

As well as performing in all of this year's half-time shows, the La Habra Marching Band participated and scored 3rd place in the Lowell High School Competition. During the summer, the band traveled to Lompoc, California and placed 2nd overall. Mark Lascowski, the drum major, captured the 1st place trophy, and the tall flags took 3rd. This fall the band was invited to the L.A. County Fair, and they also participated in local parades throughout the year. Led by Scott MacIntyre, our band did an excellent job representing our school and showing Highlander spirit and pride wherever they went.

# Only One More Year

*Pooh Bear is a loving, fat, sweet little bear, and our juniors are much like him. The juniors and seniors had close friendship ties this year, and the juniors worked hard all year in order to give the seniors a fantastic prom at the Disneyland Hotel.*

*La Habra's junior class is a close-knit class, involved in music, sports, academics, and club activities. Juniors care about LHHS and its traditions. The juniors set up a Christmas dance in one week when they were faced with the possibility of not having one. They saved a school tradition and made "Christmas Magic" happen. This year our pooh bears have taken their share of the honey and bee stings at La Habra and made their junior year one to cherish.*

# Tazmanians are Terrific!

*Sophomore classes are always spirited, and the class of '82 is no exception. Resembling their mascot, the Tazmanian Devil, sophomores whirled through a cyclonic year. Sophomores won class competitions at pep rallies and in lunch-rally competitions.*

*The class of '82 is an unusual class. They set out to have fun. Next year they will cope with junior year responsibilities. When they do, watch out!*

*The Tazmanian Devils are lively and courageous, tearing through any obstacles which stand in their way. Sophomores are fighters. They are hungry for power and adventure. Stand aside; the class of '82 is shifting into high gear, gaining momentum to race through their junior year.*

# '83 Lives a New Life

*The class of '83 is a promising class. The freshman year is a difficult one, full of work and realities, surprises, and newly developed friendships. It is a time when a new type of schooling begins. La Habra's freshmen experienced all of this in the '79-80 school year.*

*Kermit the Frog is a fitting mascot. In the "Muppet Movie," Kermit fought to make his dream come true. By believing and working diligently, our freshmen will continue down the long road and accomplish the goals that they have set for themselves.*

*Freshmen soaked up many new experiences this year. In 1980 they will hop off their lily pads and glide into their sophomore year. Like Kermit, the class of '83 will make memories and friends for a lifetime.*

# Helping Hands For L.H.H.S.

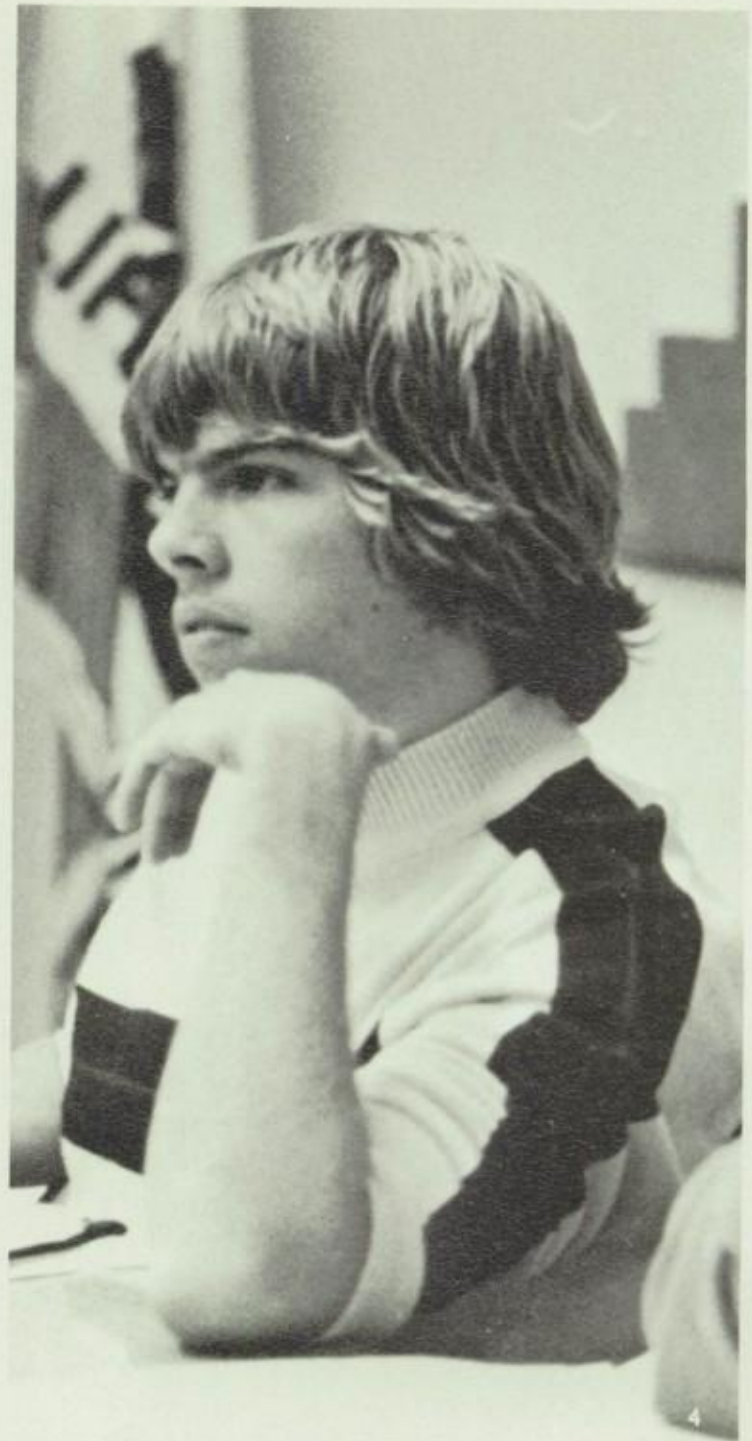

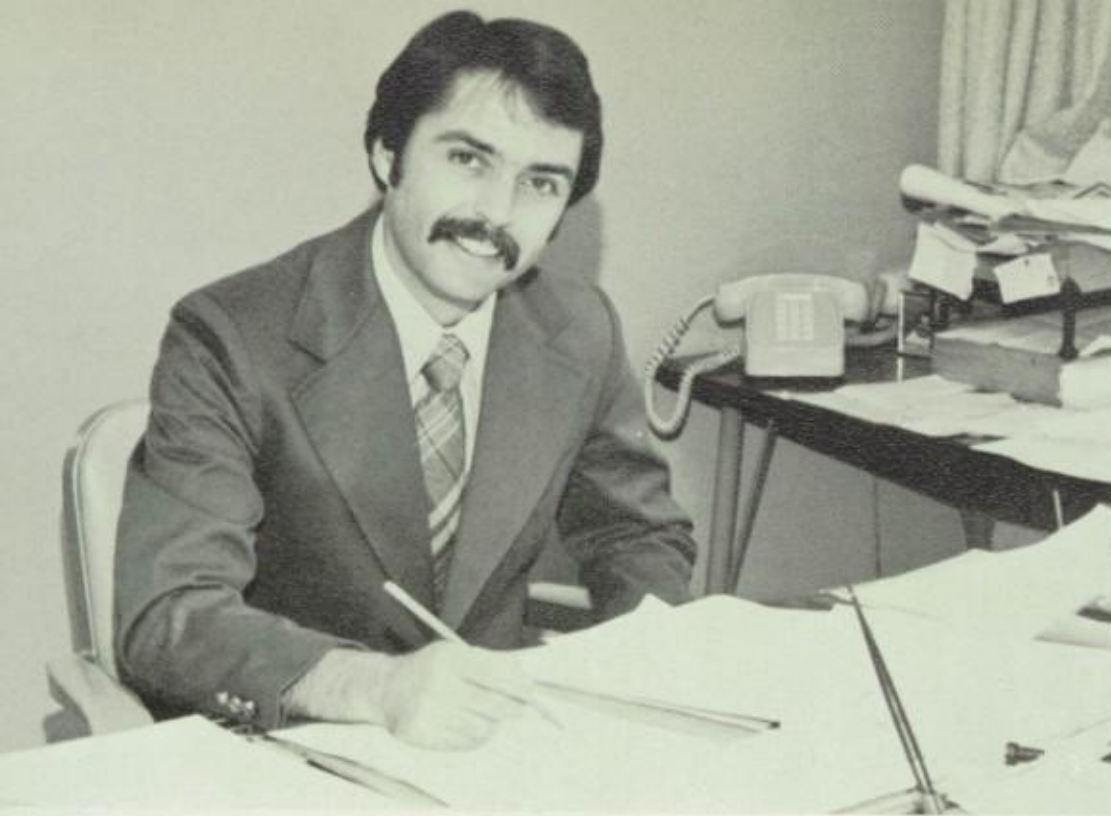

Mr. Mieger is a new principal at La Habra High this year, but he's not a new face to this campus. He grew up in nearby Buena Park, and attended Fullerton High School. When he graduated, he enrolled in Fullerton Community College, Cal State Long Beach, UCLA, then went to Claremont Graduate School. As a teenager at FUHS, he was rather involved in athletics, being a member of the Varsity Club. He also enjoyed the foreign languages, and was an active member on the Student Body Executive Board. His delight in working with kids was one of his strongest reasons for becoming a teacher. At first, he leaned toward coaching, which is what he did here at LHHS in his first teaching job. Some of the other classes that he taught included math, general business, and health. After two years of teaching on this campus, Mr. Mieger moved over to Lowell, where he taught biology, health, and some P.E. classes. After Lowell, not only did he change locations, but he also changed jobs. With his move to Riverside Junior High, he became a vice principal. He came back to LHHS again to be assistant principal for a few years, then went to FUHS. The 1979 school year finally brought him back as La Habra's principal. Mr. Mieger now resides in Yorba Linda with his wife. "We have a good staff here. It's kind of like a family relationship, with the willingness to work together. I also enjoy the friendly feelings the students have." We're glad to have you back at LHHS, Mr. Mieger. Good luck!

This year we have several additions to the LHHS staff. One of these additions is Mr. Anderson, one of three assistant principals. He attended Pasadena High School the first year it was completed. Some of his interests had to do with the media. He was active in the Radio Council, which put on weekly radio shows. History was another of his avid interests. After graduating, he continued his education at Pasadena City College, then Cal State Fullerton. Before becoming an assistant principal, Mr. Anderson taught English classes at Walker Jr. High and FUHS. He also held the position of English Department Chairman at FUHS. "I had been interested in teaching since high school," explained Mr. Anderson. He had had several model teachers who had been a kind of inspiration to him. After a couple of years of teaching, he was interested in a change. He likes dealing with people, and in teaching he was only reaching one hundred and fifty students daily. As an administrator he is able to reach many more people during the day. Mr. Anderson lives in Brea with his wife and children. His interests now include reading, and working around his house. When he has the time, he loves to vacation in Yosemite. Mr. Anderson expressed his feelings by saying, "I enjoy being here. We have the neatest community spirit I've ever seen, and the staff here performs as a nice team." Mr. Anderson is doing a great job as one of the team members here at La Habra High. We wish you good luck for the coming years on this campus.

District Administrators 1979-1980  
Seated: Walter Ziegler; Standing: Robert French, Harry Grimshaw, John Machi-  
slc.

Brian White, a senior at Lowell, was the student member for the Board of Trustees this year. Every year a student advisory council appoints a student from somewhere in the district to sit on the board. This student's responsibilities include attending bi-monthly board meetings, attending student advisory meetings, and reviewing all materials sent to him regarding events in the district. He has no voting power, but he has the right to make comments at the board meetings.

Brian was interested in learning more about politics, so he applied, and, because of his qualifications, was awarded the job. He's not really sure if the board-member's life is what he's really interested in for the future, but he has enjoyed the experience, and has gained a lot from it. "The experience was great for me. It will stick with me the rest of my life. Maybe someday I'll be a board member, or at least be active in the community," said Brian.

1. One of the nicest additions to our school, Mr. Mieger.
2. Mr. Anderson takes a break from his busy schedule.
3. Mr. Maruca, a busy man with a busy desk.
4. Brian White listens attentively at a board meeting.
5. Mrs. Sjostrom smiles for the camera.
6. Superintendents strike a handsome pose.

# Board Of Trustees

*Board of Trustees 1979-80  
Seated: Barbara Sullivan, Joan Begovich;  
Standing: Richard Gross, Franklin Sullivan,  
Dr. G.E. Triplett.*

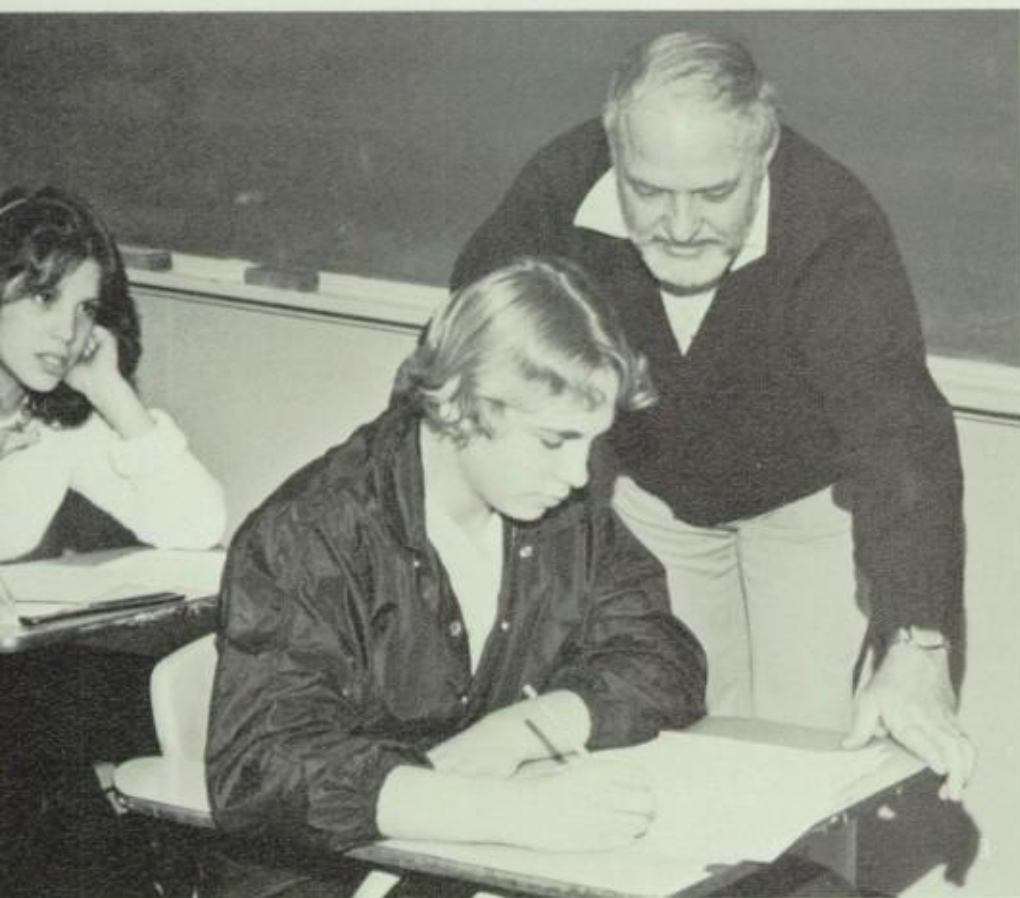

Mrs. Sullivan attended Pasadena City College when it had a combination of high school and college. She graduated from high school at PCC, then attended two years of college there. After leaving PCC, she entered Redlands University. She now lives in La Habra and has four children, two of whom are attending LHHS now. Some of her interests include reading, entertaining foreign visitors, working in community services, and vacationing on Balboa Island. When asked why she wanted to be a member of the school board, Mrs. Sullivan replied, "I believe in public education, and people who believe should become involved, to protect the system as I knew it when I was growing up." She continued by saying, "My primary goal is to have mutual trust between the board, staff, and students."

Mr. Gross, a lawyer with an office in nearby Whittier, is also a member of the Fullerton Union High School District Board. He grew up in Pennsylvania, graduated from Central High School, and went to Pennsylvania State University. He later received his law degree from the University of Pennsylvania. After twenty-one years of law practice, he still enjoys his work although he has little free time. With the free time he does have, he manages little league teams and plays tennis. Mr. Gross has had two children graduate from LHHS, and has a daughter enrolled here now. When asked why he wanted to be a board member, he replied, "It has an interesting combination of aspects. I am able to use my legal background, help kids, and be of service to the community."

# Our Math Teachers Add Up

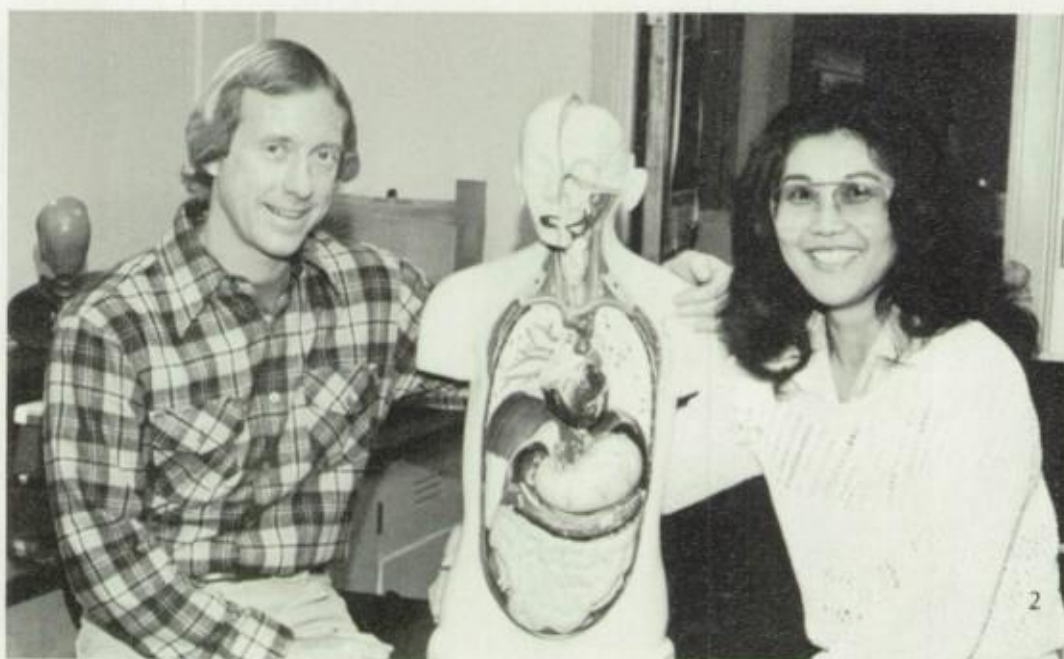

Mr. Stone, a math teacher, has been at LHHS since 1960. As a teenager he attended Portales High School in New Mexico. His interests then, in order, were girls and sports. After graduating, he attended Eastern New Mexico University, Long Beach State, and Chapman College. His first teaching job was at Hobb's in New Mexico, where he taught sixth graders. He came to LHHS in 1960 to teach math and drivers' training. Mr. Stone is married and has six boys and one girl, and he is very proud of them all. He also has three grandchildren who are four, two, and six weeks old. The hobbies he has now are changed, but are just as interesting. He loves to oil paint and travel, having been to such places as Hawaii and Europe. When asked why he wanted to be a teacher, Mr. Stone said, "At the time, in 1950, it seemed like an interesting profession, which it has proven to be. It's a job I've looked forward to daily, and have enjoyed for twenty years." As for his feelings about La Habra High School, Mr. Stone replied, "I think we have one of the finest teaching staffs of any high school in the district. We are strong in the years of experience. The longer you teach, the better. We could do something about the attendance problem, but all schools have problems that must be solved someday."

1. Board of Trustees for the 1979-80 school year.
2. Mrs. Sullivan and Mr. Gross contemplate the issue.
3. Whatever happened to "ladies first," Mr. Stone?
4. Mr. Blair and Miss Fogler see things from a student's view.
5. Mr. Winkelmenn points out the way.
6. Mr. Gordon works with Mr. Wilmeth, trying to find an answer.

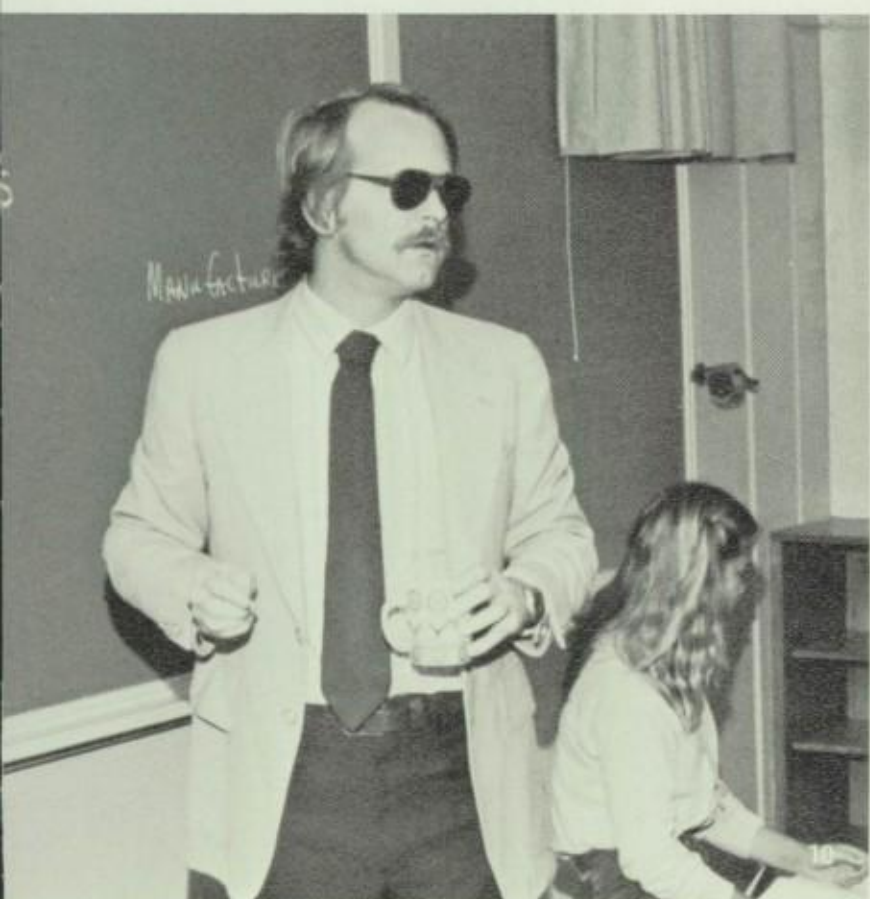

# The Sciences Stand Out In 79

Mr. Davis is one of the new teachers at LHHS this year. He came from Troy as a science teacher and coach. He graduated from Anaheim High School, then attended San Diego State College, and completed his education at Chapman College with graduate work. His hobbies include snow skiing, water skiing, running, racquetball, and reading. In the summer he takes a job in the construction field, usually as a jack hammer operator. He also likes to vacation in Shasta. When asked why he went into the teaching profession, he explained that a waterpolo coach at his high school had proven to be a great inspiration. "He kind of changed my life," related Mr. Davis. He also said, "I haven't had any bad days. It's because of my students; they've made me feel at home." Welcome to LHHS, Mr. Davis!

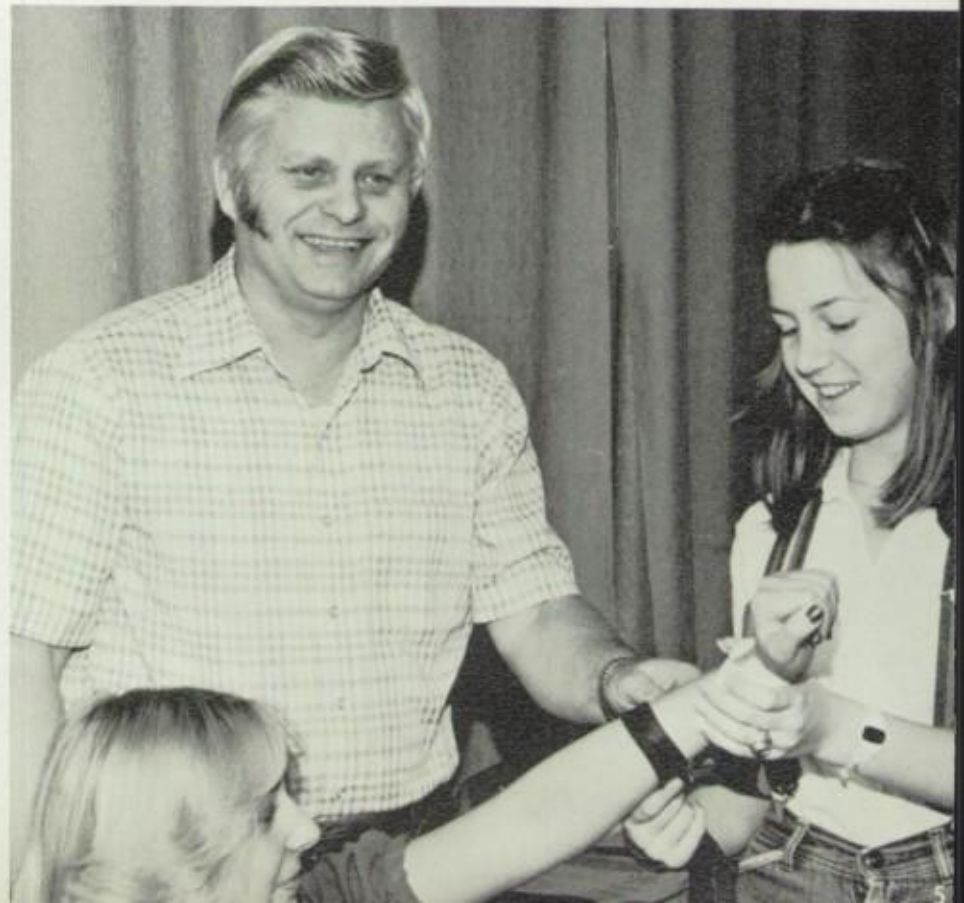

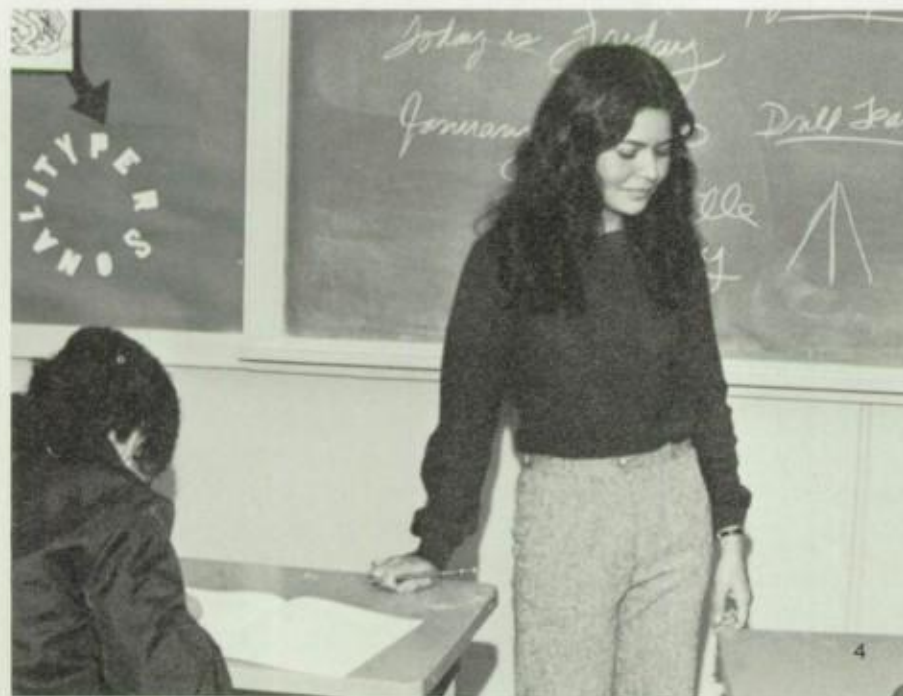

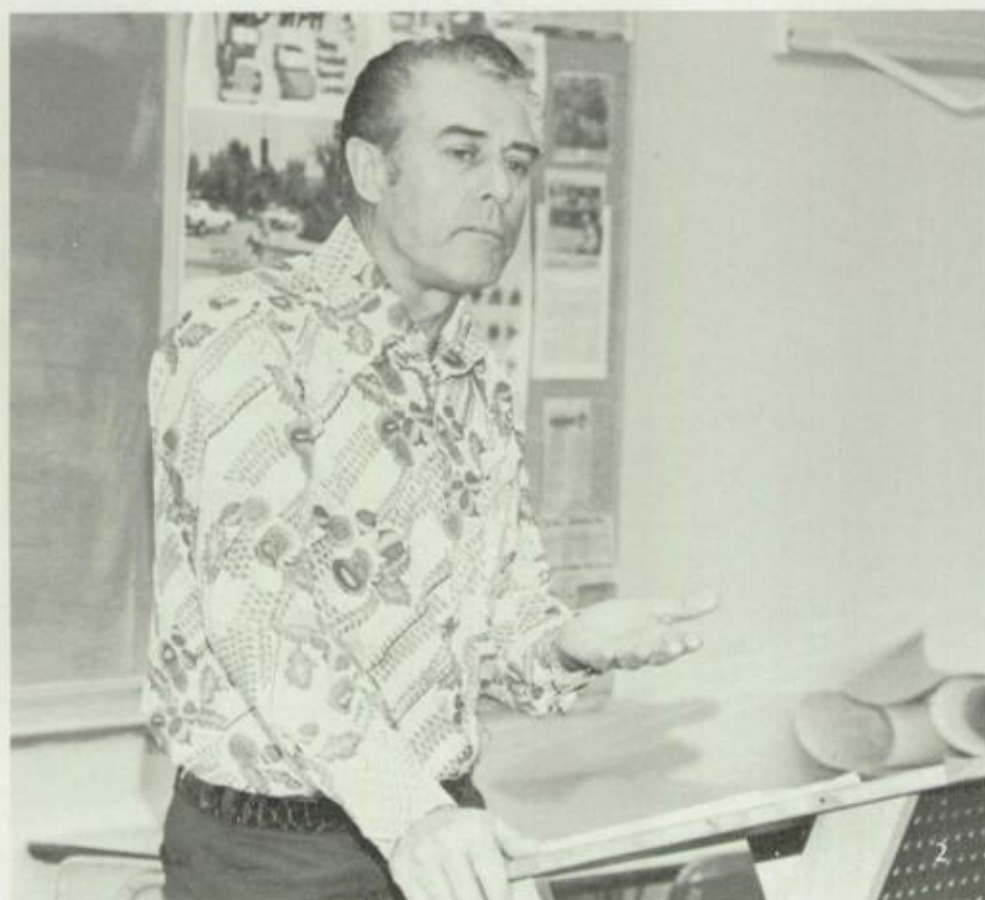

Mr. Porter is heavily involved with the student government at La Habra High. He teaches the leadership class, and is also an invaluable adviser to student body leaders. After graduating from high school, he attended Phoenix Jr. College, Arizona State, Santa Ana College, Cal State Fullerton, and the University of California at Irvine. Mr. Porter enjoys mountain-climbing, running, racquetball, reading, and music. He plays three musical instruments, the guitar, piano, and accordion. A social science teacher, Mr. Porter reveals, "La Habra is a good school, and it has one of the finest social science departments in the district."

1. Mr. Hill stops to flirt with the camera.
2. Mr. Davis and Mrs. Takahashi visit with a friend.
3. "Hurry up and take the picture," says Mr. Miller.
4. Mr. Goodrich takes a break.

7. Mr. Hills is caught reading jokes instead of assignments.
8. Mrs. Larsen and Mr. Laymon discuss world affairs.
9. Mrs. King displays her talent in class.
10. "Can you dig it?" asks Mr. Porter.

# Special People At LHHS

Mr. Garcia attended St. Mary's Catholic High School in Arizona. While in high school, he played the tenor saxophone for the school band. He received an athletic scholarship and attended Arizona State University, finishing at UCLA with graduate work. After teaching eight years of elementary school, he taught Spanish and English at Saddleback High School. He entered La Habra High School in 1976 as a counselor, and then became involved with the English as a Second Language program, where he still is today. Mr. Garcia loves to travel. He has been to sixteen different countries, including some in Europe and South America. In his spare time he reads, watches athletic events, and raises flowers. "LHHS is a very good school. I have enjoyed being here and working with the students," said Mr. Garcia.

Mrs. Kiernan is the Special Education department chairman and is also a teacher in that department. As a teenager she attended Valley High School in Albuquerque, New Mexico. Some of her interests included dance, music, drama, horses, and skiing. She attended the University of New Mexico at Albuquerque, UC San Diego, Pepperdine, Cal State Los Angeles, and Cal State Fullerton. Her first teaching job was in an English as a Second Language class in Albuquerque. When she moved to California she taught at Troy High School in the Special Ed Department. Since 1974 she has been an active teacher here. Funny as it seems, she has never had the goal to be a teacher, but just "found herself in an ESL classroom one day." She is married, and her husband, supporting himself through school, drives a limousine for rich and famous people. Mrs. Kiernan's hobbies include dancing, collecting jewelry and wine, throwing good parties, and seeing good plays and movies. She vacations in Northern California when she gets a chance in her busy schedule. When asked to share a few thoughts about La Habra High, Mrs. Kiernan confided, "I enjoy myself here. LHHS has been an interesting place to be. My department is filled with neat people I love to work with."

1. "Look, she's correcting my paper!" says Mr. Garcia.
2. "Who double-parked out front?" demands Mr. Deardorff.

# Teachers Who Care

Mr. Wright does not spend all of his time in room forty-nine as a business teacher. He has also been the head coach for the boys and girls tennis teams. He grew up in the South Bay Area, and attended Torrance High School. From there he went on to El Camino Jr. College and Long Beach State. When he has free time, he enjoys playing tennis, working with wood, reading, and running. His favorite food is Mexican food, but he also enjoys an occasional Big Mac at McDonalds with his wife and daughter. He expressed his feelings about LHHS in these words, "The years are going by so fast. I have enjoyed these past ten years here at LHHS. The kids are mostly good students, also."

Mr. Hurley is an industrial arts teacher here at LHHS, and has been here since 1958. He grew up and went to school in the Redlands-Riverside Area. As a teenager, he enjoyed participating in all kinds of sports. He also was student body president one year. To further his education, he attended San Bernadino Jr. College, Riverside Jr. College, Long Beach State, and Pepperdine University. He is married with two boys. His hobbies include building and showing custom built cars, and airbrush painting. He enjoys sharing these hobbies with his sons. He wanted to be a teacher because he had always liked working with kids, but he was truly motivated by a metal shop teacher at high school. Mr. Hurley thinks LHHS is a great school.

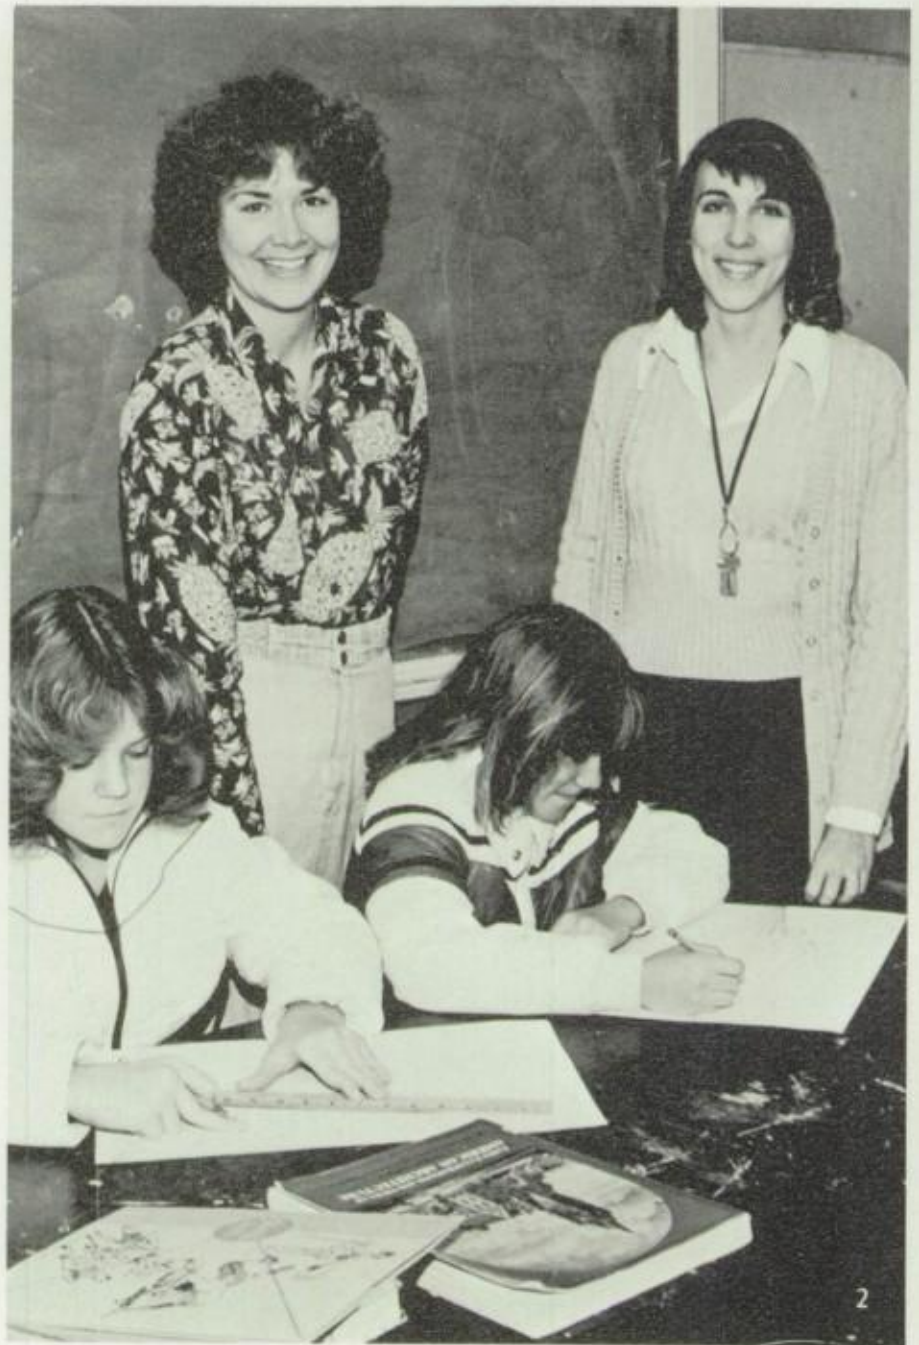

Mr. Terry, a Spanish teacher, has been at LHHS since 1956. He has found that teaching gives him a great deal of satisfaction because he enjoys watching students learn. When he was attending high school, he leaned more toward academic events than social events. While attending Brigham Young University and Cal State Long Beach, he maintained an A average. He is married, has two daughters, and is now living in Fullerton. He enjoys reading, backpacking, and church work in his spare time. Mr. Terry has been at LHHS his entire career, with a three year leave to work in Argentina as a missionary.

8. "Heineken's out of the question," says Miss Beebower.

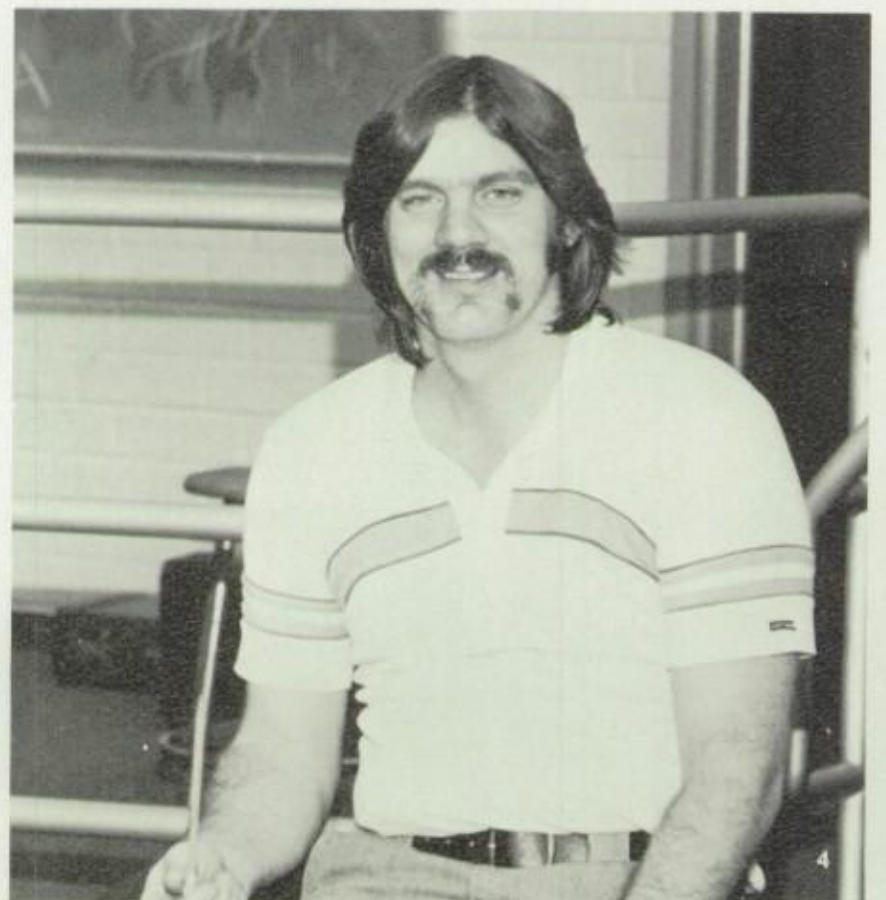

# Fine Arts Smiles Brightly

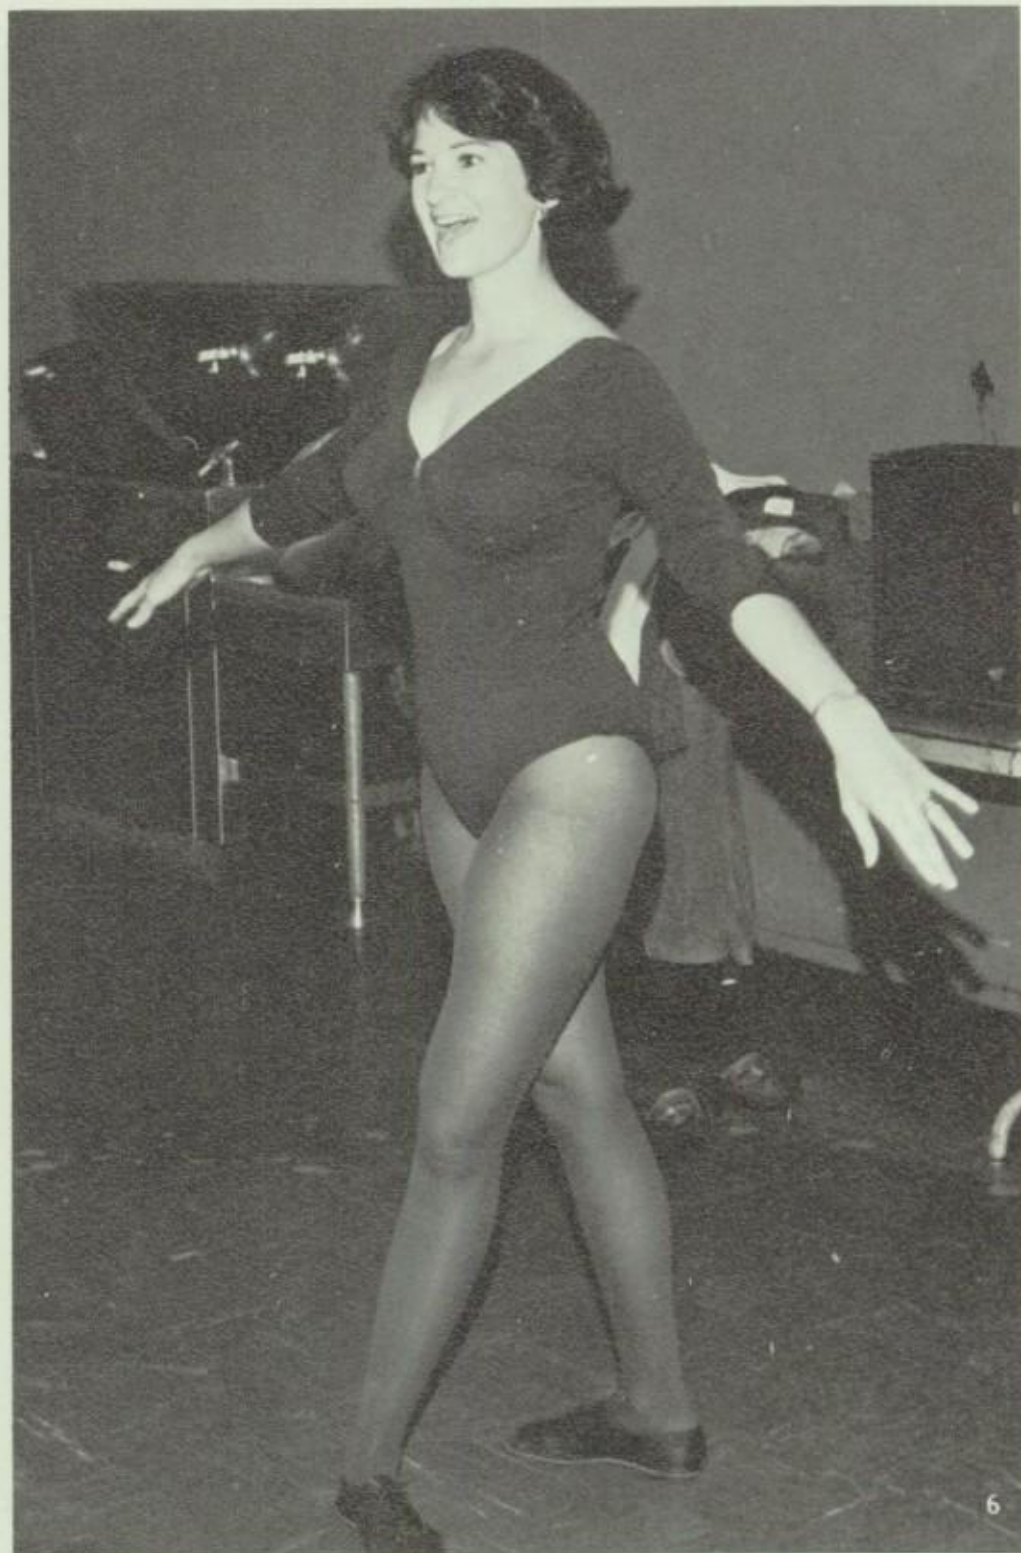

The mere mention of Mr. Dunton's name strikes terror into the hearts of aspiring LHHS singers. Each student in his mixed chorus or concert choir strives desperately to sing clearly and breathe properly in hopes that Mr. Dunton's loud, indignant bellow will not be directed at him. But, despite his gruff exterior, Mr. Dunton is a musical genius with a heart of gold. He is the head of the Fine Arts department, and every year he leads the concert choir and mixed chorus in various concerts and musical productions. He is noted for his wonderful sense of humor and understanding nature, and is one of the best-loved teachers on campus. Mr. Dunton leaves his students with these final words of wisdom: "Take care of yourself. God isn't going to do it. I've told you before, I'm busy."

1. Mr. Thomas drafts a sketch.
2. Ms. Coulter and Ms. Innes are kept busy as student teachers.
3. Mr. Dunton cracks a smile for the camera.
4. Mr. MacIntyre looks tired.
5. Mr. Senik and Mrs. Carr share a common interest in photography.

*Keith Pendell grew up in Illinois where he attended Kankakee High School. There he was active in the student senate, track, and student government. He was a class officer in his freshman and junior years. He graduated from Southern Illinois University in Carbondale, Illinois where he majored in art education and fine arts. During college, he was president of the Illinois Student Art Education program.*

*Mr. Pendell wanted to become a teacher because he enjoys being around young people. Working with kids all the time keeps him young. He really enjoys his work. He says his favorite classes to teach are stained glass and yearbook. The entire Hieland staff feels he is absolutely invaluable to the yearbook class, and he is loved and respected by all. He is happy about the close relationships he has with faculty members and lasting friendships with former students.*

*Mr. Pendell is married and his hobbies include stained glass and jewelry. He likes to travel and is a great football buff also. He has been married for fourteen happy years.*

# P.E. Teachers Show Their Stuff

Tex Wallis knew he wanted to be a coach ever since he was very young. He has always loved sports, and teaching sports to young people has always given him a sense of satisfaction. He has done wonders for our P.E. department and is a definite asset to La Habra High School. He coaches boy's basketball and has had numerous championship teams.

This is Mr. Wallis' twenty-third year at La Habra High. He loves it here. He says this is his first choice for a place to work. He has had plenty of chances to leave, but he says he never would. "The faculty, students, and parents at La Habra are the greatest." That's how he feels, and that's how we feel about him too!

1. Mr. Wallis smiles for the camera.
2. Mrs. Robertson watches her students in the gym.
3. Mrs. Blumenthal helps the cheerleaders plan a pep rally.

In both high school and college she was very active in sports and participated competitively in volleyball, basketball, field hockey, softball and badminton.*

*She has always known she would be a P.E. teacher because she's always felt it would be neat to earn money doing something she loved to do. She says that it's fun to teach P.E., and she really likes the students here at La Habra High. She coaches many girls' sports and was extremely proud of her champion volleyball team this year. She is also the cheerleading advisor, a position she has held for two years.*

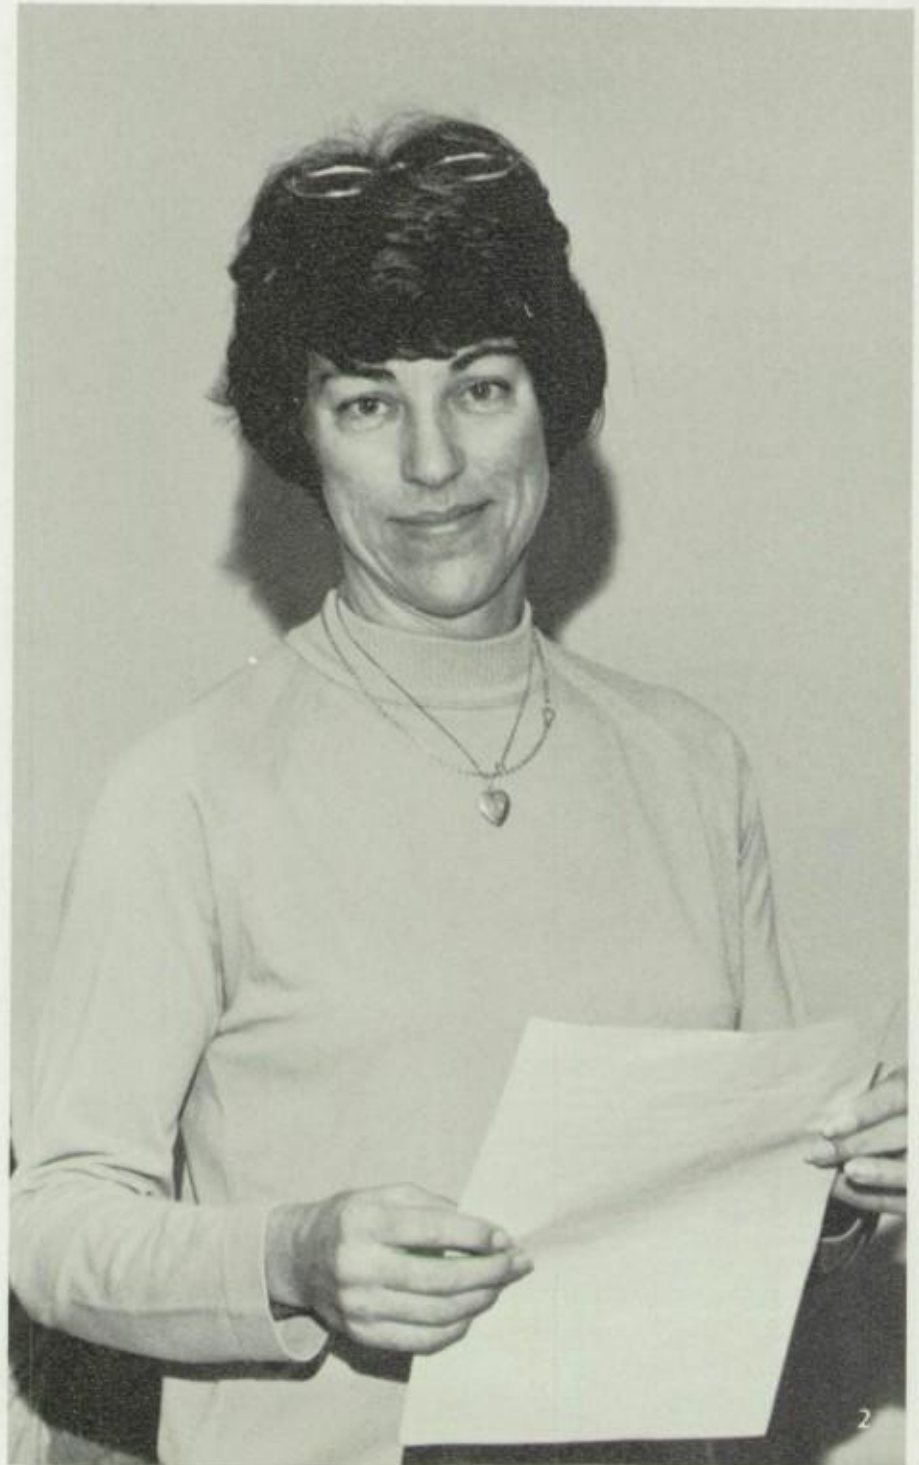

# Friendly Faces In English Dept.

Sandy Minnesang is the co-director of the English department at La Habra High School. She grew up in Southern California and had attended sixteen different public schools by the time she finished high school. She graduated from Cal State Long Beach where her major was English.

She decided to be an English teacher because she thought that working with high school students would be both challenging and rewarding. Mrs. Minnesang has worked all over the Fullerton Union High School District, but she says she honestly likes La Habra High the best. "This campus is full of friendly, bright, talented young people and I'm very happy here." She is a fine teacher and an asset to our school.

*Lucy Dutton was born into a large Italian family and grew up in Edinburgh, Scotland where she went on to attend the University of Edinburgh. She had always had the urge to be a teacher because she loved working with young people and she wanted kids to be exposed to the kind of learning that she was exposed to.*

*She has been at La Habra High for nineteen years, teaching both French and English classes, and she loves it. She does, however, wish the academics were stronger than they are. She is adored by all who have been lucky enough to get to know her.*

# Teachers Working Hard

Mary Dodd is one of the two heads of the English department at our school. She teaches several regular English classes and the journalism class which puts out the newspaper.

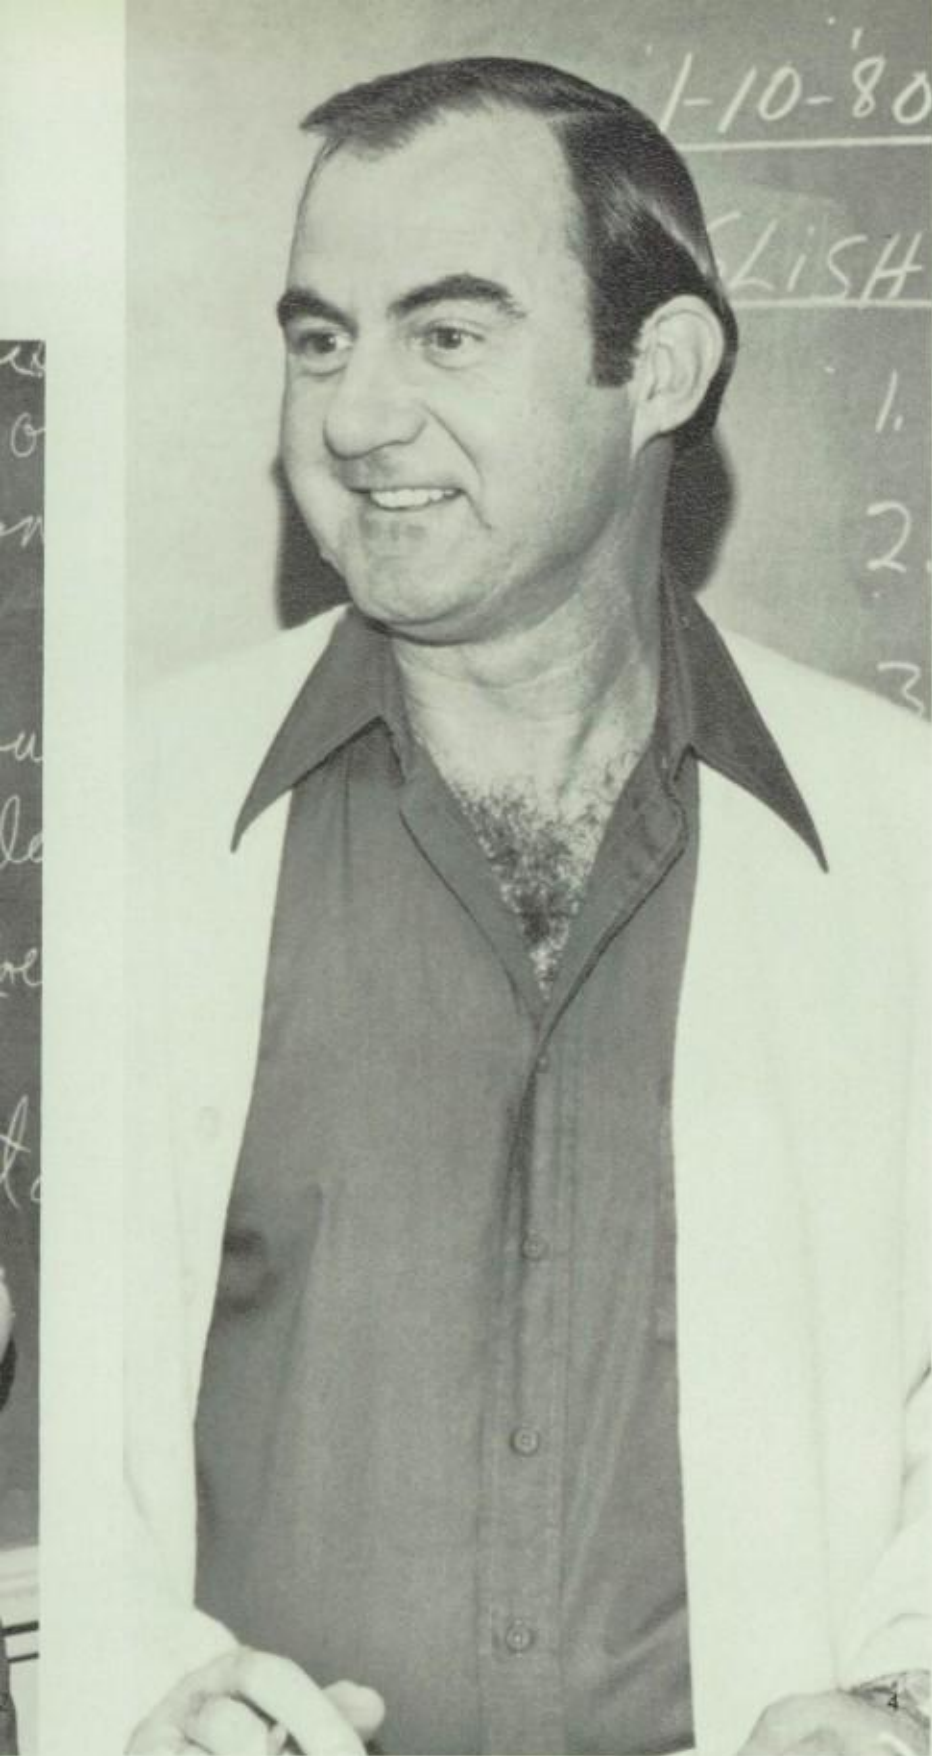

She grew up in Northern California and attended San Leandro High School. She then went on to three different universities including Cal State Fullerton, UCLA, and the University of Oregon. Her major was originally French but was later switched to English. She was always interested in writing and she was on the newspaper staff at the University of Oregon. She went into teaching because she likes working with teenagers and helping them to learn.

Mrs. Dodd says she has enjoyed all of her fifteen years at La Habra High. "I especially like the students because they are so well rounded; not snobbish but friendly, ambitious and very loyal."

The students here find Mrs. Dodd understanding, warm and a good teacher. We are lucky to have her.

Roxanne Smith graduated from La Habra High School in 1975. She went on to Whittier College and earned her bachelors degree in drama. She was doing her post-graduate work student teaching here, in our English department for Mr. Lennertz, but when the opportunity arose for her to teach some of her own English classes she snatched it up quickly. She says it is great to be back at La Habra. She sees a lot of similarities as well as differences in the school. Miss Smith feels there is more school spirit than there used to be, and she's glad to see that the Scottish traditions are being brought back. She's gotten to know the teachers on a different level- as friends. She feels that student - teacher relationships are shallow and she's doing all she can to try to change the existing situation. Welcome back!

There is a new face around the counseling office these days. Carolyn Vallas joined the staff of La Habra High School shortly after the start of the 1979-80 school year. She decided to go into counseling simply because she liked the idea of working with young people and helping them with their problems in any way she could. She is very happy in her work here. Mrs. Vallas says she thinks La Habra High School is great. "The faculty and students have been very friendly, and I've developed a lot of positive relationships here." Welcome to La Habra, Mrs. Vallas!

*Dorothy Ashby, the head librarian at La Habra High School, was born in Toombstone, Arizona. Then the family moved to California, so Mrs. Ashby attended all the public schools in Whittier and Whittier College. She graduated from high school and college with highest honors and she says she always loved school.*

*She is married and has one son. When her son started college, she went back to graduate school. She obtained her masters in education and library science at USC. Before coming to La Habra High in 1958, she worked at the La Habra Public Library for several years. She just adores LHHS, the students, faculty, and the library. She loves it and she has never been happier.*

*Some of her hobbies include travel, reading, research, poetry, crafts and doll making. She has some of her work displayed in the library at school. She has a rare quality which allows her to be more than just the school librarian to the students here; she is also a friend.*

# They Guide Us Along

Brian Warner attended Fullerton Community College and Cal State Long Beach. He decided to become a work experience advisor at La Habra High School because the challenge of working with community employers and seeing the growth of youth in both attitudes and skills on the job appealed to him.

Over the summer, he works for the Orange County Manpower Commission providing labor market orientation classes for high school C.E.T.A. youth. He also likes to camp, garden, and spend time with his family. He is married and has two lovely daughters of ages seven and five.

1. "What can I do for you?" asks Mr. Warner.

She majored in journalism and psychology, and really loved college. She was very spirited and attended all of her school's sports events. Football games were her favorite to watch.*

*She became a Career Guidance Technician because she loves students and enjoys working with young people, helping them plan their futures. She is happy in her job here. She says there are no negative aspects of her work- only positive, and she feels that LHHS is a neat place to be.*

# *The Staff Keeps Busy*

The cafeteria staff at La Habra High School is made up of four experienced ladies. Elaine Noble is in charge of making the salads while Doris Glougie and Barbara Phillips do the cooking. Rose Ulinchy is the manager. Due to the fine efforts of these four, La Habra's cafeteria food is of a higher quality than most high schools in the area. We are very fortunate to have such a fine staff. They all agree that working here is very enjoyable and pleasant. They find the students helpful, cooperative, and friendly. As a matter of fact, each year they hire several students to serve food in the cafeteria at break and lunch. Keep up the good work!

Everyone at La Habra High School has undoubtedly had the pleasure of talking with Vickie Pierce at one time or another during his years here. She is the friendly, dark haired lady in the attendance office who is always cheerful and eager to help the students.

She took the job here at La Habra to help send her son through college at USC, and then she enjoyed working so much that she stayed on. She really loves her work and the students and faculty at this school as well.

In her free time, she enjoys golfing and reading. Mrs. Pierce is kept busy all summer long working in the attendance office, but her hard work is certainly appreciated by all.

1. Our cafeteria staff shows pretty smiles.
2. Mrs. Dorado listens intently.
3. Mrs. Pierce is always smiling.
4. Mrs. Bierfeldt really enjoys her work.
5. Ms. Cornell giggles at the cameraman.

# Talent Blends To Yield Success

A shut out of powerful Hacienda Heights Wilson, superiority in both offensive and defensive lines against Bonita, a 42 point effort versus Fullerton, and an emotional, come-from-behind victory over rival Sonora all tell of what can happen when a team plays as one aggressive and prideful unit. Head Coach Vince Senik showed once again that only good things will happen when a team full of individual talent pulls together to mold an unselfish and emotional football team. These characteristics were evident both on and off the field during 1979.

Although the team had such great ability as a unit, individual efforts were very much apparent. Randy Clayton set school records for most tackles in a single season and career, and was named All-CIF by Citizens' Savings. Tony Minasian rushed for 626 tough yards, including 4 games of rushing for 90 yards or more. Dave Williams threw for 1,341 yards, including 2 games

with over 200 yards passing. The long-bomb combination of Williams to Dennis Servantes was dazzling, and was cause for fans on both sides of the field to agree, "That's unbelievable!" Tony Corina was chosen "Player of the Week" twice and posed numerous problems for opposing linemen. Dennis Bryan, a three year varsity letterman, contributed to the Highlander attack both as a running back and defensive back. Bryan's 102 yards rushing against Bonita was one of the finest performances of the year. And Jim Palmer left the number 40 firmly implanted in the minds of many fans, not to mention many opposing ballcarriers, with many incredibly destructive tackles.

Next year's varsity players will have some very big shoes to fill, and they should set a goal for themselves: to uphold the Highlander tradition of hard-hitting, emotional football that this year's squad most certainly continued.

# Soph's Faced Difficult Season

The 1979-80 Sophomore football team had a difficult season. The players struggled all season with injuries, and a streak of bad luck which followed them throughout the long period of sweat and hard work.

The team was led by captain Greg Olson. Greg played offensive guard and defensive linebacker, and for his outstanding talent and effort received the Most Valuable Player trophy.

Mr. O'Donnell, head coach, commented that this had been the first year that he had played a different offense, one which he had always wanted to use. The assistant coach was Dale Lundin. This was the first year that he had coached a La Habra football team. He coached the backfield, and greatly enjoyed helping the players. Overall, the team gained valuable experience for future years and Mr. O'Donnell feels that if they practice diligently and show more spirit, the sophomores will have a winning year.

4. Highland defenders swarm a helpless opponent.
5. Defensive line skies in attempt to block extra point.

# Frosh Win With Defense

Usually, you can get an overall view of how well the season went for a football team by looking at its win-loss record. However, such was not nearly the case for this year's 4-3 freshmen. While enjoying commanding victories over Brea and Sonora (see scoreboard) the freshmen never quite reached their full potential in games with Lowell and El Dorado, losing only 7-0 in each.

Coach Quezada could always count on one thing, though, a tough, gutty defense that pressured opponents into mistakes game after game. One typically outstanding defensive performance was turned in by Mike Adame against Sonora. His four interceptions stopped Sonora drives, and greatly contributed to a shut-out that the entire defense earned.

There were other fine individual performances, too. Steve Klein, Dan Saiz, Tim Corral, and Steve Quinones all played so impressively coach Quezada felt, "We could have easily been 6-1"

Front Row: John Trevgoda, David Flores, Ron Poole, Jeff Long, Ernie Pacheco, Mike Fortner, Dan Saiz; Row Two: Coach Miller, Dean Tiger, Jeff Moore, Rick Anderson, Phil Philbrook, Steve Quinones, Dave Delgadillo, Alex Rodriguez, George Tadlock, Coach Quezada; Row Three: Mike Calhoun, Mike Thompson, Eric Maire, Tim Corral, Jason Neff, Jeff Lowe, Chris Alvarez, Mike Adame, Dan Payton; Row Four: John Rayburn, Ken Russell, Hector Gonzales, Casey O'Brien, Bill Tezak, Steve Klein, Kent Reiveke, Mike Hawk.

# *C.C. Has Phenomenal Season*

The year's Varsity Cross Country team, under coach Ralph Winkelmann, ended a phenomenal season with seven wins and only one loss, which was to El Dorado, the 3A CIF Champions. The runners' two rigorous daily workouts helped lead them to a second place finish in league, upholding the fine standard set by last year's undefeated team.

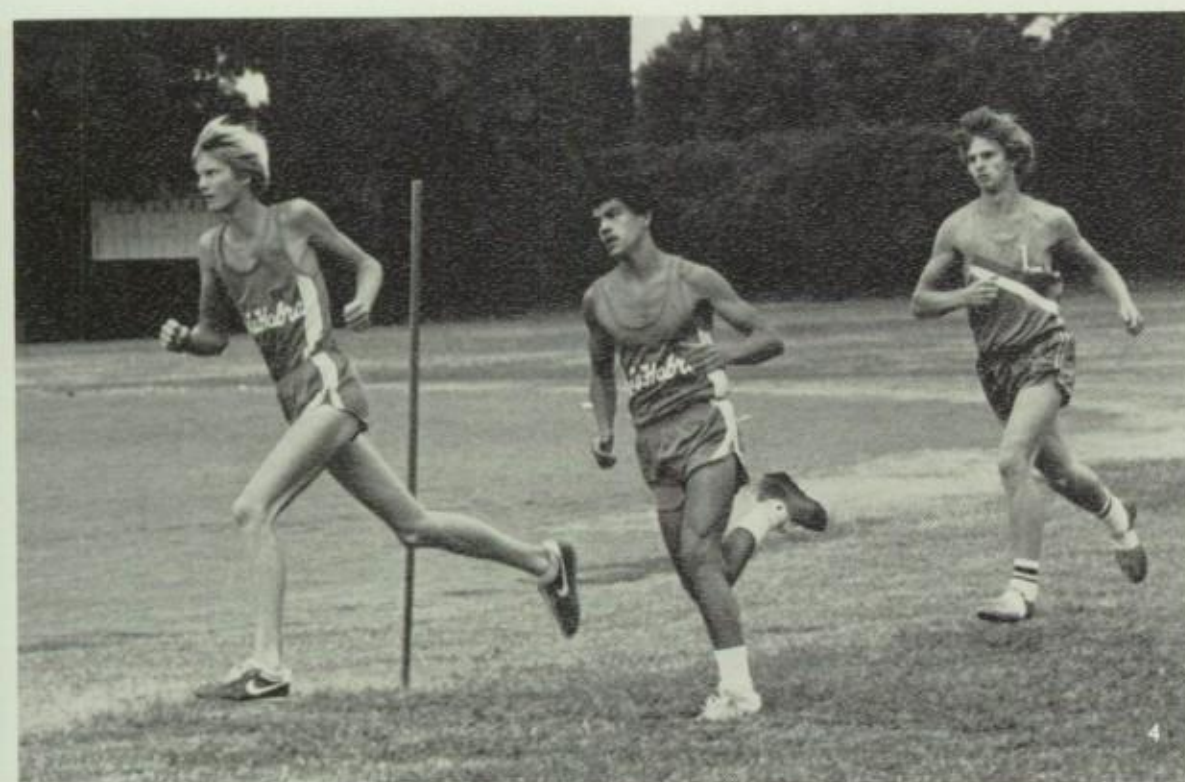

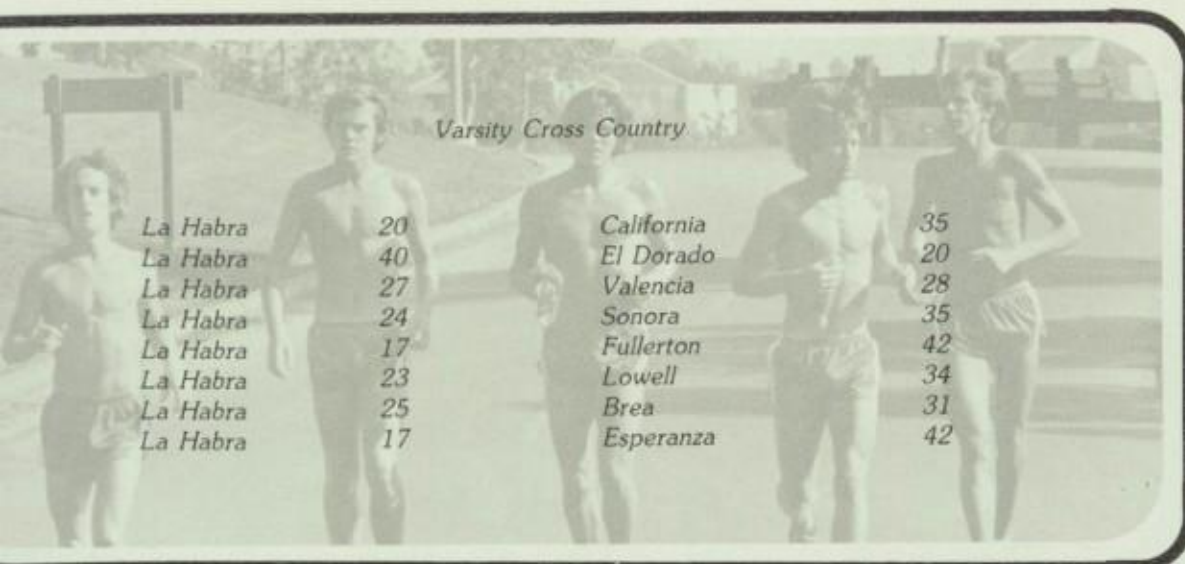

The harriers placed fourth out of fifteen teams at the Mt. Sac Invitational. At the Sonora Invitational they earned a second place trophy from the ten team field. The tremendous effort exerted by La Habra's runners during the Yucaipa Invitational resulted in a first place trophy and ten medals. In CIF prelims, the harriers were unable to qualify for CIF finals because of the stiff competition.

The two top runners on this year's team, Dave Short and Kent Santillan, were named to the All-League team. Dave Short, the Most Valuable Runner and team captain, set a new three mile course record with a time of 15:59. Dave won five medals and one plaque, and had a best time of 15:30. Kent was the Most Improved on the team, and was eighth in league finals. He accumulated three medals, one plaque, and had a best time of 15:46. Warren Gates was third man on the team. He received three medals, one plaque, and had a best time of 15:54. Glen Pyne, Edd Maris, Charles Torres, and Todd Thompson each earned one medal and one plaque. This was Glen's second season and he improved a great deal as the year progressed. Unfortunately, Edd was ill most of the season, but he still managed good performances for the team. Charles, during his first season, did an outstanding job. Todd, voted Most Inspirational, was the only junior on the team.

# Frosh C.C. Deserves Respect

The 1979 freshman harriers, coached by Mr. Winkelmann, proved to the Orange League opponents that their 4-0 record deserves respect. The season didn't start on time for the freshman group as intended. The reason was, there wasn't even one freshman out for the league opener against El Dorado at Craig Park. The team ran together in four league meets, winning over Brea, Esperanza, Fullerton and cross-town rival, Lowell. The outcome for the freshmen statistically ended up being very impressive, indeed. They won four league meets, pulled out a third place at league finals at Eisenhower Park, and also managed to place a decisive third among all the competitive Orange league teams.

The freshman squad in '79 was led by Ron Cull, who did a fantastic job during the season. The other harriers consisted of Robert Cull, D. J. Averall, Jose Salcido, Omar Puente, and Chris Serna. Coach Winkelmann believes that the runners, with the right preparation, can become a threat once again next season and the seasons to come.

# Varsity Poloists Improve Skills

The 1979 Varsity Water Polo team, under the direction of new coach Ron Davis, worked hard and improved their skills with each game. Their disappointing 0-12 record was partly due to the fact that they did not have the training and experience needed to defeat powerhouse teams like El Dorado, the All-CIF league champs. The team was fortunate to have four returning starters: Brent Cross, Mike Glandorf, Charlie Robertson and Paul Jahn. It was also enriched with the talents of its three girl members: Rita Cobb, Diane Carey and Charisse Hoffman. Although water polo has traditionally been a male sport, Charisse became La Habra's first female poloist as a freshman two years ago, and was joined this season by Diane and Rita.

At the annual awards banquet, Mike Glandorf was named Most Valuable Player, while Jim Imhof was named Most Improved. Paul Jahn was chosen as the Most Inspirational Player. Coach Davis has high hopes for next year, which could be the start of a winning tradition for the Highlanders.

# Frosh-Soph Show Potential

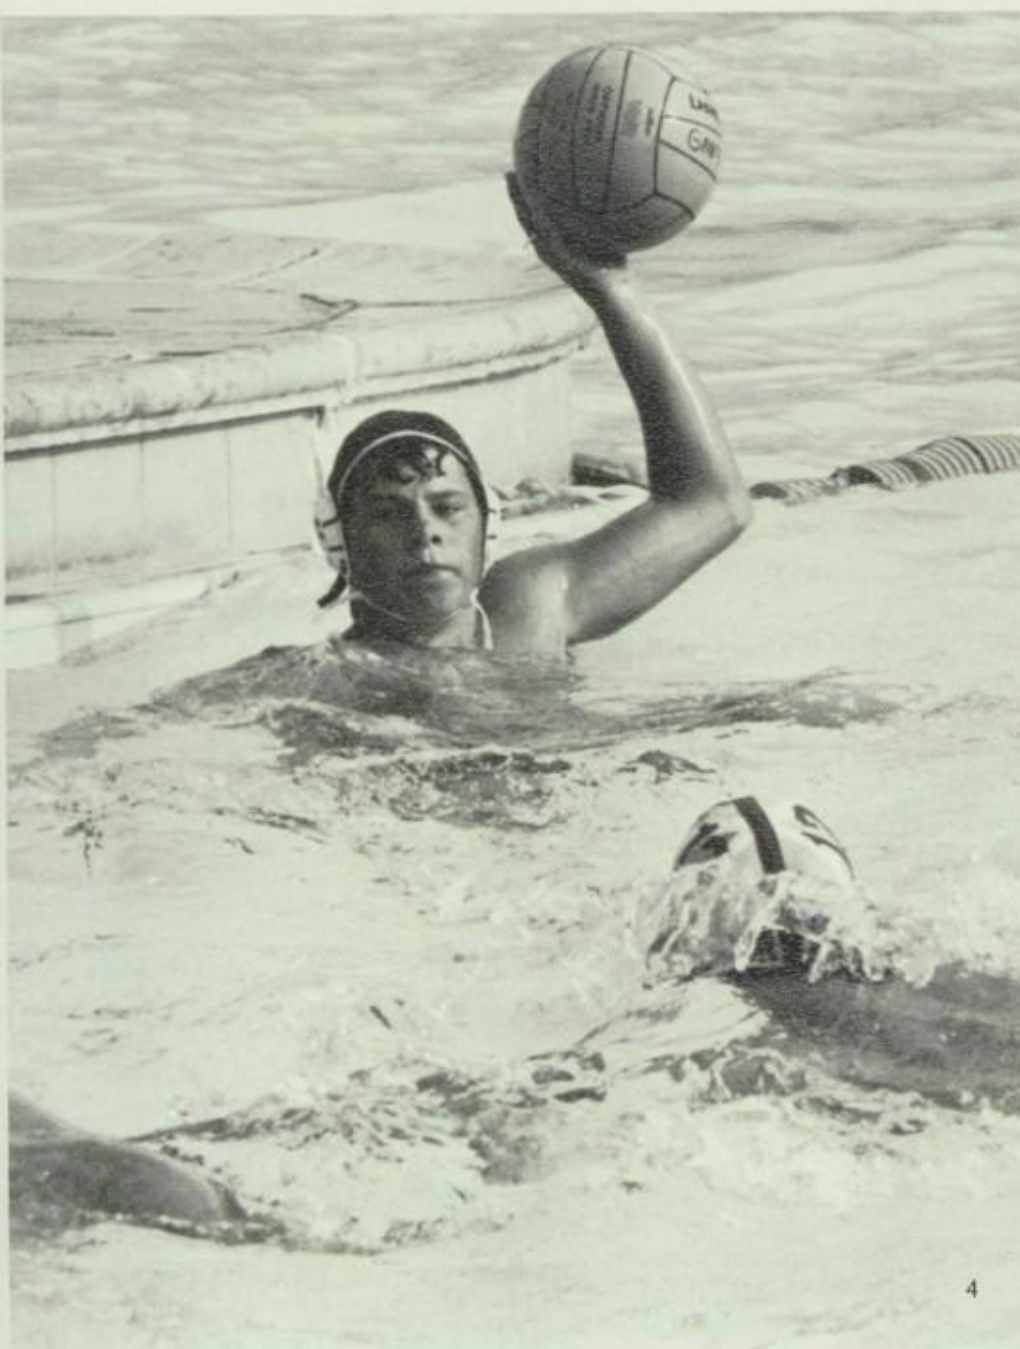

This year's Frosh-Soph water polo team had a rewarding season. Even though many of the players had no prior experience, they compiled a 3-8 record, including a 6-0 shutout of Cal High. Sophomore Tom Leyen, who was named Most Valuable Player, led the young team of 13 boys and 3 girls, several of whom were moved up to fill in vacant spots on the Varsity team at different times during the season.

Coach Davis commented that out of all the teams he has worked with, this year's Frosh-Soph team showed the most improvement and potential. All the members of this talented team put in a great effort and gained valuable playing experience, which should give them an edge in the battle for next year's league championship.

# Clan Surprises Orange League

Under Coach Wallis, who has successfully coached every basketball team in La Habra's history, the 1980 squad came through once again to capture a respectable third place in the Orange League. The pre-season, with its many ups and downs, was a contest between well coached, talented Orange County teams. Anticipation and anxiety described team emotions as the Clan got off to a slow start. Then came the 8th Annual Brea Cage Tournament held at Brea Olinda High School. The determination after the sluggish start sparked the beginning of the aggressive play which La Habra is known for. The Clan's makeup included the leadership of four talented seniors. Known for his accuracy from long range distances, Mike McCarthy was named MVP of the league, averaged 17.4 a game, and led the Clan in overall scoring. Bobby Jones, picked as 2nd team All-League, averaged 14.5 per game and contributed clutch defensive plays during the entire season. The squad was largely made up of juniors, who patiently kept their poise when the going got tough. With Orange League competition almost under way, the Sportswriters finally did come through with an accurate prediction- any team could beat any other team. Every individual on the highlander squad contributed tremendously to the team effort. The team started off on a good note, beating cross-town rival Lowell and finished by out-scoring the Fullerton Indians (away) by 17 points. Even though the highlanders ended up coming in behind Brea and El Dorado, the Clan had its best performances beating Brea (away) and coming away victorious twice against El Dorado. The Clan beat the Hawks (away) by a close two points and again by an impressive 27 points. After the first round in League, the highlanders were tied in the race for first place. The second round competition with its overtimes and last minute wins and losses pulled the team together to a standing just above Lowell, Sonora, Esperanza and Fullerton. In C.I.F. the highlander team proved the critics wrong by almost miraculously knocking off number one ranked team Santa Ana Valley. The Clan, with nothing to lose and everything to gain, played a game that any fan should have been proud of. La Habra High congratulates Coach Wallis and team for their determination to successfully represent everyone associated with the spirit of the blue and white.

# Frosh Come Alive

The 1979-1980 freshman basketball team ended their season with a 7-7 overall record. They learned a great deal under the direction of their new coach, Mr. Marcus Hill. At first they were slow because of inexperience, but they exploded in the second round of play, winning all but two of their exciting games. Most Valuable Player Bob Vandergriff was the team's leading scorer and rebounder. Dave Delgadillo, the Most Valuable Defensive Player, accumulated 35 steals during the season. Steve Rice was named the Most Improved Player for his outstanding effort and improvement. These individual achievements combined with the fine teamwork exhibited all season long by these athletes, made the 1979-1980 season one that they can be proud of.

The 1979-1980 wrestling team was coached by Harry Dolen and Randy Worthington, who are two of the best wrestling coaches in recent times because of their different outlook toward practices and matches. New ideas and harder practices brought out hidden talent in most of the wrestlers. With Coach Dolen, difficult times brought out the best in the team, and the wrestlers began working as one unit. With Coach Worthington contributing winning thoughts, every wrestler had a positive attitude, Coach Dolen has proven his formula for success with the Highlanders' winning season.

This year's wrestlers were in many tournaments. In their own takedown tournament, they took first place by beating last year's CIF champions, Santa Fe. This was the first year they had won their own tournament. At the Northview Tournament they placed tenth out of thirty-two teams. The varsity team won thirty-one medals and one first place trophy during the season.

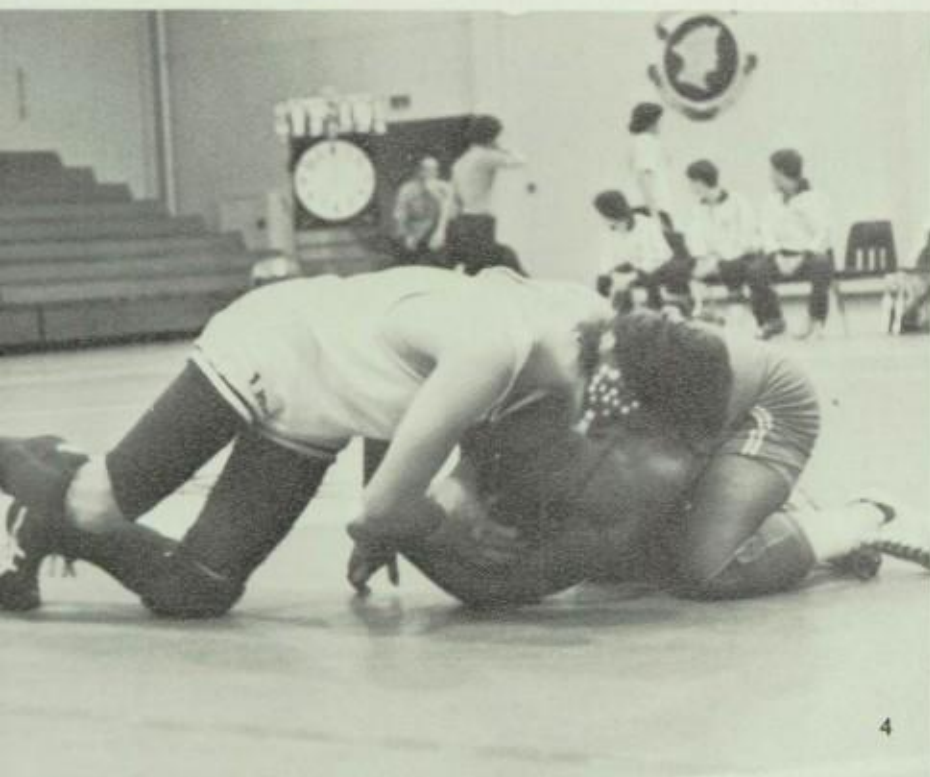

This year's team had three wrestlers qualify for CIF prelims, Dino Smith, Kent Santillan, and Rick Scarbrough. Dino, a sophomore, had a record of eleven wins and eight losses. He won medals by taking second at the La Habra Takedown Tournament, second at league finals, and fifth at the Northview Tournament. Kent is a senior, and has qualified for CIF for the past three seasons. This year he has taken three first place medals, one at league finals.

Kent has also won second and third place medals. He qualified for CIF finals where he won two and lost two. Kent had an overall record of twenty-seven wins and six losses. Rick had a record of fourteen wins and seven losses, and also qualified for CIF finals. He is a junior and has won first, second, and third place medals this year. Rick is a three year letterman. This has been Rick's best year. Other returning lettermen were Ray Moody and Kirk Matsushige. Ray is a junior, and placed third in the LHHS Takedown Tournament. Kirk had a good year, gaining two fourth place medals and a third place medal. He was also a great help to this year's team. Scott Mahan, a senior, had a record of eight wins and seven losses. He won a second place medal at the LHHS Takedown Tourney. Dave Stampfli also won a second place medal there. Dave took fourth at league finals and also won a fifth place medal. A junior, he had an outstanding record of ten wins and seven losses. Frank Super took second at the LHHS Takedown Tourney, and fourth at Norwalk. Frank is a senior, and has been an important part of the team the past two seasons. Edd Gaglia, a junior, won second, third, and fourth place medals. Edd was hurt most of the season with a knee injury. This injury was his only setback to a perfect season. John Kirylo, a junior, is a three year letterman. Jim Collar, another junior on the team, had a fine season. The only freshman on the team was John Rayburn, who gained valuable experience.

# JV's Gain Experience

The 1979-80 Junior Varsity wrestling team had an outstanding season. They were coached by Harry Dolen and Randy Worthington. The team had a record three wins and four losses. Both coaches put in a lot of work to bring out the best in the wrestlers. As they gained experience with three tournaments, they won ten medals.

This year's team had many outstanding wrestlers. Pat Flanagan was the captain and had a record of five wins and three losses. He wrestled twice on varsity and had a record of one win and one loss. Robert Jimenez and Vince Thomas also had very good seasons. Robert, a junior, had a record of five wins and three losses. He was a good team leader. Vince, also a junior, had a record of six wins and four losses. Tony Quon and Bill Carlson are first year wrestlers. Tony, a freshman, wrestled at ninety eight pounds. He had a record of six wins four losses. Bill, a sophomore, did a very good job. His record was four wins and two losses with two ties. Stewart Uehara, a freshman, had a record of four wins and two losses. He did a great job as did the rest of the team.

# Swimmers Show Determination

This year's season was a disappointing one for the Highlander swimmers, but they kept up their determination and pride. First year coach Ron Davis attributed the team's poor record to the unusually tough competition in the league this year, coupled with the inexperience of the team. Six sophomores swam at the Varsity level this year: Ken Bales, Tom Leyen, Pat Prendiville, Russel Sterner, Elliott Toombs and Steve Williams. Returning swimmers Mike Glandorf, Derek Gerber, Jim Imhof, Paul Jahn and Charles Robertson helped to stabilize the team. Leading the way in Varsity Diving again for the third straight year was junior Matt Tapscott.

The hard work and determination of these athletes paid off as five swimmers qualified for CIF finals. With the experience gained this year and their positive attitude, the swim team should be greatly improved next year.

*This year's frosh-soph team showed their potential as varsity swimmers. More than half of the frosh-soph swimmers were moved up to compete on varsity, creating a gap in the team which was difficult to fill. Because of the small number of swimmers left on the frosh-soph level, the team could not find enough swimmers to compete in each race, and lost many points because they did not have representatives in each event. The fact that some swimmers were moved up to the varsity level reflects the high amount of talent in La Habra swimmers, and next year's team should be a strong and experienced force in the Orange League.*

The 1980-81 Varsity Baseball team started the season off on a strong note. They entered the Easter Tournament with a positive attitude and the team captured third place. The young team consisted of six seniors, nine juniors, and two sophomores. The team captains were Dirk Charron, Joey Valencia, and Dave Williams.

The team coach, Mr. Quezada, has just completed his 8th year of coaching at LHHS and this was his 3rd year as LHHS's Varsity Baseball coach. He claimed the reason the team did so well in the tournament was because of their excellent hitting ability. In addition to this, their fielding capabilities were exceptional.

The 1980 JV Baseball team was coached by Vince Senik. With this year's team moving from Frosh-Soph to JV's, there was a little problem. The team didn't have any juniors, so they were inexperienced. Coach Senik was pleased with the team as they played each game closely. As far as Coach Senik feels, his players had a successful season and gained much experience. They learned some things they wouldn't have learned on the Frosh-Soph level.

The team was led by sophomores Jim Sparks and John Prideaux. Jim was one of the best pitchers in the league and had a very low earned run average to go with his fine pitching style. John, who hit over .300 for the season, was the best hitter on the team. He was also one of the best fielders. The starters on the team were Glenn Burks, Tim Corral, Steve Klein, Steve Quinones, Hank Sauer, and Scott Wilkie. The team had nine sophomores and eight freshmen. With all of them being underclassmen, they should do well in the future.

# Tennis Just Keeps On Winning

To say that La Habra's tennis team belongs to the Orange League might come as a bit of a surprise to those who follow the sport. There are some who might even go so far as to say that they OWN the league. In truth, that might not be such an exaggerated expression. The numbers are beginning to pile up — 56 straight league victories, 4 Orange League titles in as many years, 7 Individual Orange League titles, a 10-2 record in CIF play over the last three years, and the CIF title in 1978. One "problem" with having such an astounding streak such as this team's is the fear of having it snapped. Maybe that's what drove this year's group on match after match. But it's tough to imagine a stronger lineup than the one Coach Gary Wright got to write out. David Smith beat every league opponent at least once and was an inspiration to the team with his fiercely competitive attitude. Harold Rhodes capped off his third year of varsity competition with the Orange League Singles title. Dave James teamed with numerous partners to set a new doubles mark for sets won in a season - 77. He also finished his tennis career with an Orange League title, teaming with Russ Sprinkle to win the doubles. Rick Partee set a new standard for singles, winning 3 sets in 9 different matches. Rick had a fine Orange League tournament, beating the number six seed, 6-1, 7-5. Darren Fregoso was asked to alternate from singles to doubles throughout the season, and he responded with tremendous play at both. Russ Sprinkle came back from an early season injury in remarkable style. As mentioned before, he teamed with Dave James to win the Orange League Doubles title. For Russ, this was the third medal he has come away with in as many tries in the league tournament. David Quirarte teamed with Jose Ferrino to form the toughest 2nd doubles team in the league. You could just about bank on David and Jose taking two sets from the opposition's 2nd team. Next year, that streak should keep right on rolling.

# JV Dominates League

Because La Habra had such a strong varsity team, there was some very fine talent on the JV level. Many players on La Habra's JV would have been able to make just about any other varsity team in the league. If a perfect 14-0 record doesn't reveal a little about the strength of this group, consider this. When La Habra and Valencia met, the Clan came away with EVERY possible set, winning by scores of 28-0 and 14-0. And as if that weren't enough, the Highlanders did the same thing to Brea.

Coach Gary Wright was able to work with some fine individuals. Shawn McHenry played doubles throughout the year and compiled an amazing record of 37-3. Paul Dorado jumped back and forth from the varsity to the JV level much of the year. But his time spent on the JV was very well spent, teaming with Bill Green to form the #1 doubles team. Dan Magdaleno's serve drew praise from coaches around the league. Kevin Kuwabara led the singles attack, playing in the #1 slot most of the year. David Shaheen made the most of his first year of competition, winning 86% of his singles sets. Jeff Holoubeck just kept on improving during the season, making the #3 slot in singles a solid one. Kay Ebriham played his toughest tennis when it mattered most. He was the only singles player to win both his sets against Sonora, and that proved to be the difference in the match. No, there's nothing wrong with playing on this JV team.

# Varsity Track Captures 2nd

2. Junior Todd Valdma determinedly reaches for a first place.
3. 440-relay team member Tony Minasian thrusts forward to gain lead.

With good quality coaching from both Coach Winkelmann and Coach Hill, the Highlander track team in 1980 turned in excellent performances during Orange league competition. The squad represented La Habra High with the pride that was essential for capturing second place behind the El Dorado Hawks.

The outstanding individuals who contributed to the winning season of six wins, one loss, attempted to better their past marks. The top finisher in the sprinting events was Kevin Long, junior, who contributed an impressive 10.2 in the 100 yard dash and 23.3 seconds in the 220 yard dash. Reliable Frank Super broke his own record from last year and was clocked in 39.3 in the 330-low hurdles, but Jim Palmer's consistent determination always kept him within a stride. The 440-relay race which has to be run without careless handoffs was made up of two seniors, Frank Super and Tony Minasian, with Todd Valdma and anchorman Kevin Long. Their record was successful against all Orange League teams except Valencia and El Dorado. Another two-year letterman, David Short, took almost every mile and two-mile race, except for two losses against El Dorado. His fastest times were a respectable 9:32 in the two-mile and 4:27 in the mile run. The field-event competitors were tremendously helpful in lifting up the clan to outscore the opposition. Senior Randy Clayton broke the school record in the triple jump against cross-town rival Lowell at 42'6". The long jump which takes natural speed and spring in the legs was represented by Todd Valdma at 20'7". Another valuable field eventer was senior Mike McCarthy who conquered the bar many times going 6'2" at his best. Scoring more points behind Mike was Bob Vandergriff who was the only freshman on the varsity level. The Orange League teams didn't seem capable this year of keeping pace with the Clan. The Highlanders had a lot of experience with fourteen senior athletes and about six underclassmen participants. The two coaches, Mr. Winkelmann and Mr. Hill, gave the athletes the incentive they needed to keep the team rolling. Mr. Winkelmann has been at La Habra for about nine years and also coaches the cross-country teams. Mr. Hill has done a fantastic job in his first year at La Habra coaching field event athletes. The winning attitude of all the athletes on the track played a big role in the triumphant season. The athletes on the team want to personally thank Mr. Winkelmann and Mr. Hill for their time and commitment in representing La Habra High so well.

# F.S. Track Sprint Over Hurdles

The year of 1980 for the determined frosh-soph track team could have been too young. The Highlander squad was comprised about ninety percent freshmen, and had a record of two wins, eight losses. The individuals proudly gave all of which they were capable.

The Clan unit was very well coached by Mr. Winkelmann and first year field event coach Mr. Hill. Both coaches were pleased with the enthusiastic efforts of Casey O'Brien, who always did well in the 440-yard relay. His personal best performances were at the St. Paul Invitational where he set the 440-yard run record. Jeff Moore and Robert Philbrook were La Habra's representatives in the 330-low hurdles. The long jump and triple jump which take good jumping ability had Casey O'Brien and sophomore Eric Pyne collecting many needed points. The 440-relay team consisted of David Delgadillo running the first-leg, Dan Saiz, Casey O'Brien and anchor-man John Patlian breaking the tape.

In only its third year of existence, the Girl's Cross Country team improved both its league standing and win-loss record. The team turned in its best performance at the Sonora and Yucaipa Invitationals, bringing home a combined total of 11 medals from the two meets. Coach Winkelmann's severe workouts had the team in top shape for the season of '79. Combined with a great amount of team spirit, persistence, and dedication, the girls attained many of their personal goals. Many of the girls displayed their devotion by attending additional practices at 6:30 am. Sophomore Audrey Cadwell was the team's top runner and was named "Most Valuable." Audrey also holds the LHHS Cross Country two mile record with a time of 12:22. With two years left in her high school career, she is sure to better the standard. Senior Carla Allen, the team's number two runner, was awarded the honor of "Most Inspirational." Carla ran a best time of 13:02 at the Buena Park Invitational. The team is losing three seniors, but with the determined underclasswomen returning, the team is sure to continue to climb in the competitive Orange League.

Spectators attending a LHHS volleyball game were always in for an exceptional display of volleyball play. The Clan team finished second in the hotly contested Orange League. The awesome squad went all the way through CIF to capture a berth in the semi-final match. Despite the loss, each member of this team should be considered a true champion. This excellent group of volleyball players has gone further in CIF than any previous volleyball team at LHHS. Senior captain Kristen Bowlin was voted on both the all-league and all-CIF teams, and was La Habra's MVP. Another senior voted on the all-league team was Stacey Strand. The aggressive play of Bonnie Nash teamed with Strand's adaptability resulted in what many call the "dynamic duo." Although the team is losing six seniors, with the talent of the persistent underclasswomen, La Habra can again continue its dominance of the Orange League.

La Habra's JV Volleyball team had a very impressive season. Their league record of 13-1 indicates this team's ability to follow in the footsteps of the outstanding volleyball teams of previous years. Not only did the JV's do well in league, but they also excelled in tournament play, placing fourth in the Huntington Beach Tournament. Sophomores Kathy Manriquez, Carolyn Ostegren, Maria Calabretta, and freshman Patti Revis, along with the rest of the squad, put forth a great team effort that resulted in victories. Coaches Terri Wallis and Lindy Thrapp are to be congratulated for a job well done.

# Tennis Filled With Enthusiasm

Although they do not have a record to reflect their success, the girl's varsity tennis team has had an exceptional season. They combined the leadership of senior veterans and the enthusiasm of underclassmen to create a feeling of team pride. It was this that spurred the girls on to many personal goals and victories. Even though there were disappointments, such as the losses of two tiebreakers to Lowell, spirits were high and so was enthusiasm. The team was led by team captain Ceci Grijalva, a four year veteran. Ceci provided both strength and experience to support her teammates. She put out a total effort to help her team. Another exceptional player was Yvette Hernandez. Yvette went from number 33 on the tennis ladder to number 3. This amazing feat was the product of much pain and hard work. Yvette spent many long hours during the summer and after school in challenge matches. The doubles teams this year were led by Joanna Chen and Wendy Worchester. Both of these girls have been with the team for four years, and were partners for three. With five seniors leaving it will be up to Michelle Simon, Paula McCord, Elyse Stein, and Yvette Hernandez to bring victory to varsity tennis next year.

# JV's Have A Fantastic Season

With a record of twelve and two, a person would naturally assume a team was better than average, but the JV tennis team was not only that, they were fantastic. They finished second in league, with only two losses. This record was attained through plenty of pain and hard work. Coach Barbara Robertson, in her first year back at LHHS, made many changes in the program. Workouts became long distance running and intense exercise sessions. Endurance was emphasized. During these agonizing workouts, the team pulled together and began to work as a unit. Diane Jizba, team captain, supported the team through these workouts with her drive and ambition. This year's team had plenty of experience with Laura Liva and Roberta Menagh. Both have been on the team for three years and are seniors. Debbie Sullivan, a versatile junior, played both doubles and singles. The number one singles position was held by Linda Gross throughout the season. The JV tennis team will certainly feel the loss of its seniors, but with many promising underclassmen, next year will be another winning one.

This year's field hockey team capped off a superb season with CIF competition after finishing second in the Orange League. Colton kept LHHS from advancing further by defeating the tough team 2-1. Fortunately almost all of last year's team returned, providing valuable experience that resulted in a very strong team. The seniors provided leadership and excellent playing ability, which led the team on in their winning ways. Senior Bonnie Nash was the team's remarkable goalie. Bonnie has been the recipient of both All-League and All-CIF honors. Bonnie Nash lettered since her freshman year and would be considered impossible to replace on any team. A local newswriter cited that "scoring against Nash was harder than scoring through a wall." Stacey Strand was another senior who was well known in all local field hockey circles. Stacey's amazing speed and quick stickwork gave her the alias of the "Pony Express." Another senior that should be commended is Jeannie Vega. Jeannie developed exceptional defensive skills during her three years on the team. A special congratulations is due to Mrs. Blumenthal for the tremendous result of her fine coaching efforts.

# Varsity Gains Experience

The varsity team may not have had a victorious season this year, but it sure was a worthwhile one. Unfortunately for the team there were no returning varsity players to provide the support and guidance needed for an inexperienced team, but coach Mike Dinneen managed to make up for all of that. The team had a record of 3-14 but many personal goals and victories were attained. First year varsity player, Linda Dugan, made All-League. Linda was the leading scorer and rebounder of the team. Another exceptional player, Maria Calabretta, made All-League Honorable Mention and was the second leading scorer of the team. Maria was also the team leader in assists and steals. According to Coach Dinneen, freshman Melissa Rogge was the most consistent player, and with hard work could easily become an All-League player. Another future hopeful is Diane Dodd. Diane showed enthusiasm and supported the team through the tough times. The girls have come a long way this season. They went from a greatly inexperienced group of girls to a dedicated and well-stocked varsity team.

Front Row: Melissa Rogge, Maria Calabretta, Coach Mike Dinneen, Diane Dodd, Jennifer James; Row Two: Paula McCord, Kari Wilkerson, Linda Dugan, Carolyn Ostergren, Kathy Manriquez; Missing: Deanne Low, Choo-Choo Mercado.

# J.V.'s Show Promise

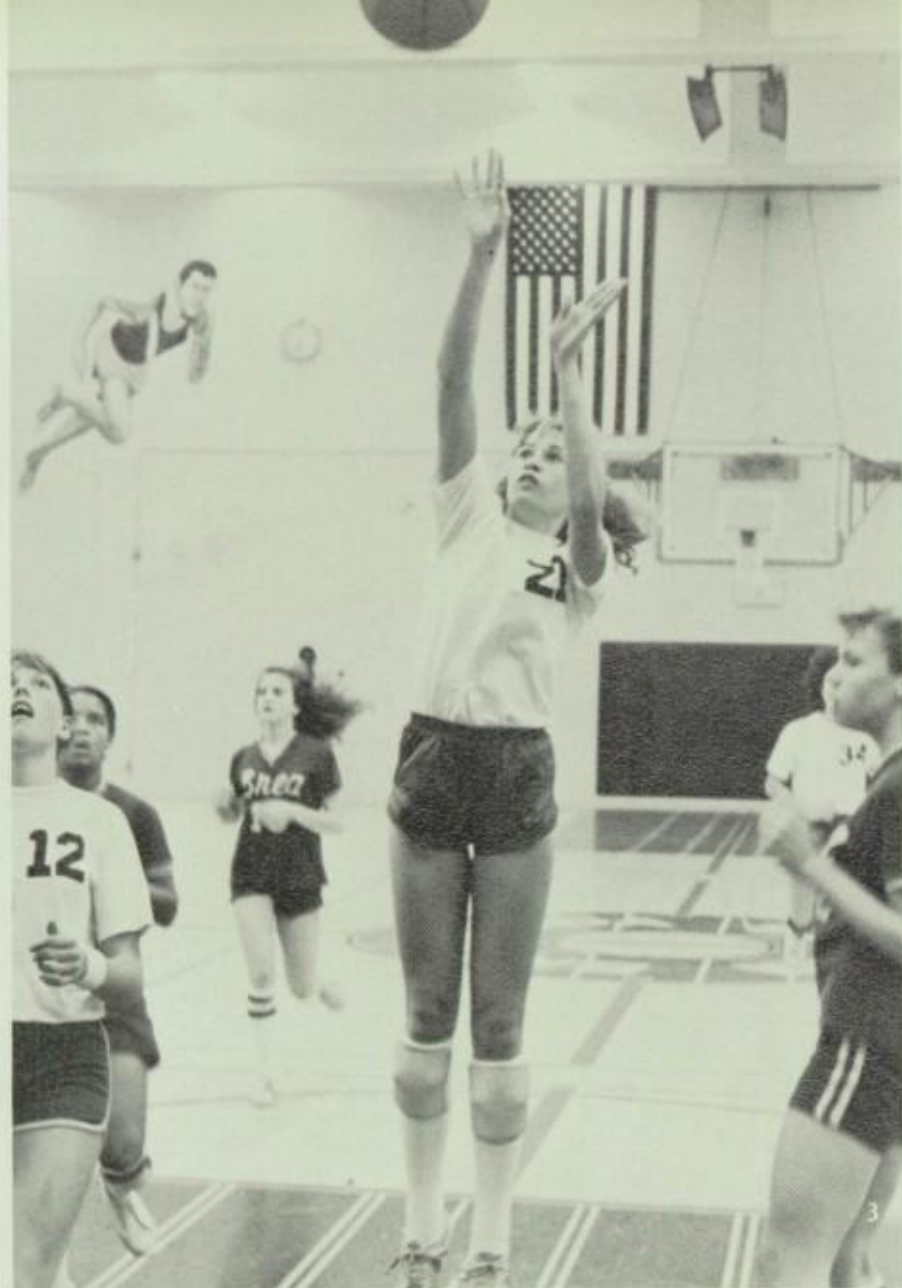

When Coach Gary Dinneen began coaching the girl's JV Basketball team, all the other teams had been together for three weeks. This created a setback to the greatly inexperienced team, but Coach Dinneen and the girls did not quit. They kept on fighting and went on to attain a record of 8-6 which made them third in league. The girls went through many hard workouts trying to learn the difficult layups, which no one could do. Becky Guterrez, who didn't even know what a layup was, went on to make an average of 14 points a game. "All the girls played, and they played well," says coach Dinneen "Everyone had her chances at starting." Audrey Cadwell and Carla Amendola were the team captains. Both were exceptional players and set a standard of excellence and team spirit. Jennifer James and Kari Wilkerson, both extraordinary players, were moved up to Varsity. Towards the end of the season Carla Amendola was an extremely strong player. Carla brought together her natural athletic ability and willingness to work to make herself one of the better players of the young team. With the hard work and dedication that these girls put in, they will be valued members of any team.

# Softball Slugs it Out

The girl's varsity softball team consisted of many underclasswomen this year. The young squad came in fourth place in the tough Orange League. Their league record did not really show how competitive the team was. All of the losses were extremely close and went into extra innings. The Clan team had outstanding defensive play as well as a tremendous pitcher-catcher battery. Freshman Jennifer James won many games for the Highlanders with her spectacular pitching. Local newspapers labeled her a "sensation." Freshman Jenny Moore was the other half of the remarkable duo. Jenny did a great job behind the plate and became a major factor in the team's offense. The team was led by captains Bonnie Nash and Stacey Strand. The leadership qualities that these three year varsity players provided turned close games into wins. Bonnie and Stacey also contributed amazing hitting ability as well as consistently displaying a high level of defensive play. Bonnie has been selected to the All-League team for three years and holds many CIF hitting records. Stacey was selected to the All-League team twice. Both of these girls will be hard to replace.

This year's JV softball team had a terrific season. After coming off of a successful basketball season, Coach Tex Wallis led the young group of girls through the competitive Orange League and the girls came out on top. The team was made up of very enthusiastic and highly motivated underclass women. The team was intensely devoted to the game and as a result they outscored their opponents 159 to 79. Sophomore Carolyn Ostergren was the team's fantastic pitcher. She pitched ten of the team's twelve wins. Not only could Carolyn pitch well, but she was also dynamic at the plate. Junior Deanne Low did a great job playing first base for the Highlanders. One of Deanne's main contributions to the team was her talented hitting. Choo Choo Mercado played the important position of shortstop. Her quickness and agility made her an excellent player in this spot. Choo Choo's speed also made her the team's fastest base runner. Lucia Hooper was the best outfielder on the squad. Lucia's powerful throwing arm assisted in making several outs. Sophomore Janet Muth and freshman Jenny Herring were two more of the Clan's forceful hitters. Sophomore Captain Janet Muth not only led the team with the bat but also provided guidance for the rookies on the team. Sophomore Chris Luna was the team's courageous catcher. Her hard work and determination payed off with her many effective plays. The experience that these girls have gained along with the natural talent that many of them possess will push them on to a spot on future Varsity teams.

The girls' swim team of 1980 was a great group of hardworking girls. The young Highlander squad was very dedicated. The girls displayed this by beginning to train on their own early in the season and practicing in all kinds of weather.

First year coach Gary Dinneen and Coach Davis were the initial reasons for the team's high level of enthusiasm. Dinneen's entertaining coaching methods not only made the team progress rapidly, but also made them enjoy coming to practice. The team was led by sophomore Wendy Blake. Wendy's specialties were the 200 meter individual medley and the 100 meter butterfly. In addition to being a great swimmer, Wendy was also an exceptional leader. Senior Rita Cobb was an important member of the team also. Rita's high spirit and determination were a real inspiration to the team. Rita played a crucial part on the relays. The team's two divers were Andrea Bauer and Kim Smith. In their first year of diving competition the two put in a lot of hard work and placed well in league finals.

Other members chosen to compete on the Varsity team were Diane Carey, Marybeth Majors, Lori Marks and Connie Zavala. Girls competing on the JV squad were Rebecca Barret, Kathy Beaumont, Patti Dalton, Bev Robertson, Kelli Smith, Judy Velasquez and Julie Velasquez.

1. Kelli Smith shows good form in the backstroke.
2. Marybeth Majors impresses the league.
3. Rebecca Barret keeps her eye on the finish.

The girls' track team had the most fantastic season in the history of LHHS. The tough Clan team ran away from all their opponents and went undefeated in the Orange League. The team was led by freshman dashwoman Marina Laymon. Each week Marina won the 100 yd. dash, the 220 yd. dash, the long jump, and ran anchor leg on the undefeated 440 relay team. Other members on the 440 relay team were Carla Allen, Robin Allen, and Patti Lake. Sophomore Audrey Cadwell was another important member of this remarkable track team. Audrey was a consistent winner in the distance events, bringing in crucial points in each meet. Almost every week a school record was broken. Marina started the year by breaking the 100 yd. dash record that had stood unchallenged since 1968. Marina broke her own record again, pushing the school standard down to an amazing 11.2. Marina also took care of the long jump record, passing the old mark by 2 1/2 inches. Audrey Cadwell hit the record books in the 880 yd run. Audrey knocked 4 1/2 seconds off the previous best for the 880. Senior Captain Patti Lake also broke the school record in her specialty event, the 440 yd. dash. After the initial bust, Patti then went on to break her own new school record twice. One of the standouts in the field events was freshman Kelley Anderson. Kelley earned the Highlanders' major points in each meet by winning the high jump. Senior Captain Carla Allen contributed a lot to the team's success by running strong legs on both relays. When Harry Dolen started coaching Girls' Track in 1977, the team was young and near the basement of the Orange League. Mr. Dolen built the team up and made it into the major track force in the area. In 1979 he coached the team to a co-championship in the Orange League. This year he, along with the terrific Coach Robertson, led the team to an undefeated season and made it possible for the dynasty to continue.

# KOSO Unites La Habra

The community of La Habra sprang into action this year when it was threatened by a proposed closure of La Habra High. The Fullerton Union High School District Board of Trustees had, because of declining enrollment and lack of the district funds to support an unnecessary school, appointed a steering committee to decide whether or not the closure of a school would be economically beneficial, and, if so, which school should be closed. After a period of intense study, the committee pointed its finger at La Habra High, and the fate of the school appeared shaky. Fortunately, La Habra did not submissively allow such an integral part of the community to be taken away. The KOSO (Keep Our School Open) Committee was formed by Mrs. Betty Carr and Mrs. Jane Reilly to find more information that might prove to be in La Habra's favor. Faculty members, community members, and students were all involved in the tremendous task undertaken.

KOSO's efforts reached out in all directions. There were several meetings held in the Stirling Gymnasium that were open to the public and meant to inform and enlist help. New information that had been discovered was given, along with morale-boosting speeches. An effort was made to contact and involve every Mexican-American family by phone, since the closure of La Habra High would have split the Mexican-American community in half with some students attending Lowell and some attending Sonora. A petition was circulated by students and community members that stated reasons against closing LHHS. At a public board meeting, several thousand signatures were presented to Mrs. Begovich, the President of the Board of Trustees. Bumper stickers with the slogan "Help Us Save La Habra High" were printed, and KOSO buttons and stickers were worn by supporters.

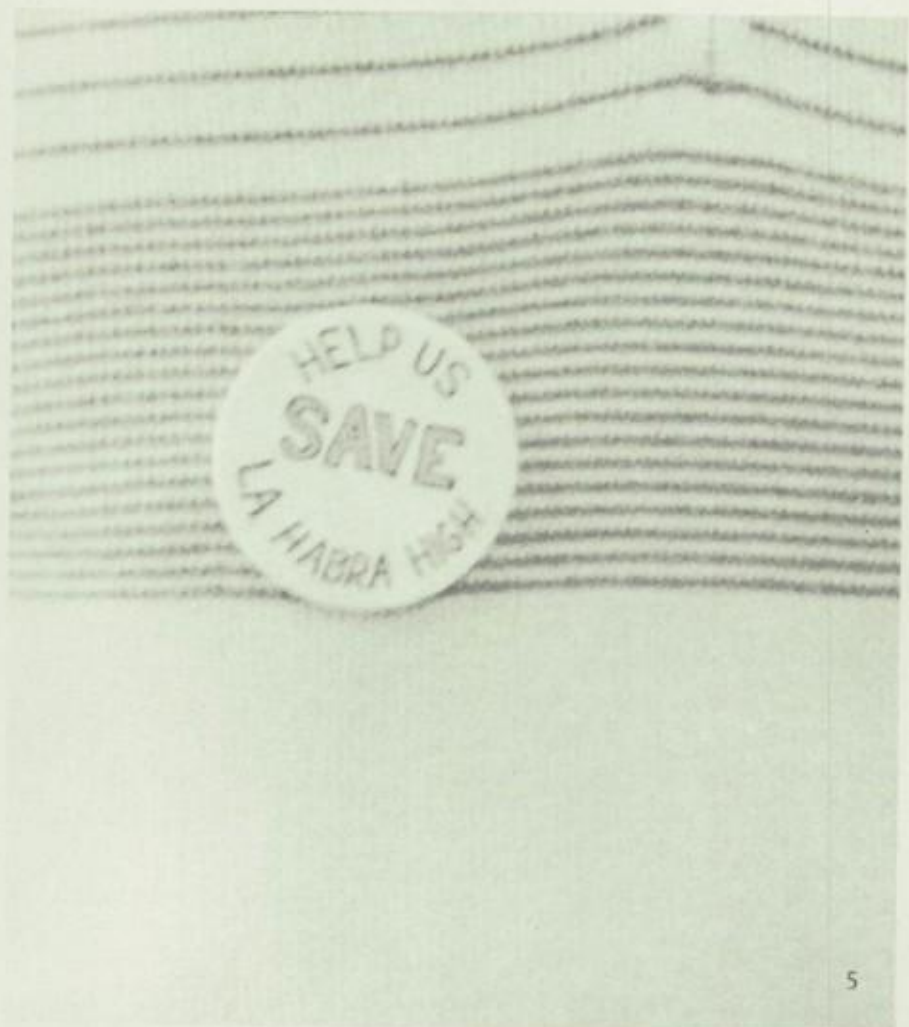

AS KOSO members delved deeper into the mass of conflicting data, several points became evident. The attendance figures used by the steering committee in its study to prevent pupil displacement included the graduating classes. Since the graduating classes would obviously not be returning the following

year, KOSO felt that they should not be included in the study. The central location of La Habra would better serve students as well as adults in the adult education program, and it has a greater capacity to accommodate more students. Also, if La Habra were closed, its stadium and agricultural center would still have been kept open since these facilities were unavailable at Lowell High.

At the next public board meeting, KOSO launched its low-key but effective attack. La Habra proponents were asked to wear white shirts, and blue sashes were distributed by KOSO. Mrs. Reilly, Mrs. Herring, Mr. Jahn, Mr. Prantalos, and Mr. Freifield spoke for KOSO in La Habra's favor during the time allotted. Mr. Terry Giles, the attorney representing Lowell High, the other candidate for closure, questioned the safety of students attending school in La Habra as opposed to the "nice residential" district surrounding Lowell, and cited a conflict of interest within the board concerning members who had children attending La Habra High. Individuals were also allowed to speak, with Janine Mason, Dave Golden, Paul Jahn, Ginny Severe, Dan Baird, and Diana Alviso a few of the students who spoke on behalf of La Habra High.

There was no clear-cut decision for the board. On March 17, 1980, the board rendered its verdict. Tense La Habra supporters breathed a sigh of relief as a measure to close La Habra was defeated 3-2. A proposal to close Lowell passed by the same count. It is impossible to adequately thank everyone who was involved in KOSO. Their efforts succeeded not only in saving LHHS, but also in uniting the community and school. Never before had there been such a level of community involvement and concern. There will be a difficult transition as Lowell students are integrated into La Habra High, but with the cooperation that is clearly existent in both groups, the process should be a rewarding and educational one. We at La Habra welcome the new Highlanders and look forward to the union of our two talented student bodies.

2. Janine Mason supports La Habra.
3. Mrs. Dutton attacks the shallowness of campus beauty as a consideration.
4. Mrs. Reilly is the inexhaustible chairperson of KOSO.
5. La Habra supporters wore KOSO-distributed buttons.

This 26th edition of La Habra High School's *Hieland* has a new look. Because the student body overwhelmingly voted to have late summer delivery, the staff had additional time to sell more ads and cover all activities for the entire school year. It is the largest book ever produced by La Habra and most probably the largest in the state.

Led by an outstanding Editor-In-Chief, Pamela Castro, the *Hieland* staff successfully improved the yearbook with more pages, better copy and full coverage of events.

Many thanks to an outstanding staff for a job well done. My thanks on behalf of the entire staff to Ms. Mary Helen Castro for shooting our cover and page one, and last but not least thanks to Dirk Carlson of Albert and James for his excellent photographic efforts, his time, and most of all his patience.

W. Keith Pendell

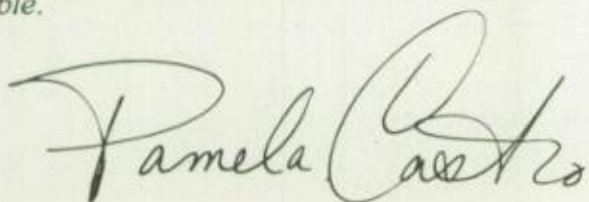

The word "horizon" is defined as the range of an individual's knowledge, experience, observation, or interest. Mr. Pendell and I chose "Horizons" as this year's theme because we felt that the word truly applied to the La Habra High School student body. Throughout high school, upon graduation, and throughout life we have to make decisions and face the challenges that are put before us. Any path in any direction will lead us to new experiences and wisdom. "We respond to the challenge of the eighties."

Through the year I was faced with the task of planning the yearbook and making decisions pertaining to the development of the annual. I must say that the *Hieland* staff through its diligent and responsible efforts facilitated my task.

I would like to express my thanks to my friend and *Hieland* copy editor, Joanna Chen. Through her outstanding writing and leadership abilities, she improved the copy to help make the 1980 "*Hieland*" the best ever. I also want to extend my appreciation to my sister, Sylvia Castro, for displaying her creative talents by setting up the props on the division pages.

As I completed the year as Editor-In-Chief of the "*Hieland*," I finished knowing that I helped capture those colorful and precious moments that make high school memorable.
